Meetings on 2nd Friday

En hilsen fra Presidenten

Kjære Venner (Dear Friends),

I recently saw a bumper strip that said: "Caution: Driver is distracted by extreme optimism." Not to worry, I do focus on my driving, as we all should. This reminded me that we also need to meet each day and each activity with optimism, so that we will succeed and do good work.

At the beginning of each business meeting, I state that we gather in our Lodge to "celebrate the heritage and culture of Norway, past and present, and to enjoy the fellowship that is a vital part of our Lodge." At Nordahl Grieg Lodge, we do a great job with fellowship. We have fun at socials, at hall work parties, and at the many preparation days leading up to the Lutefisk Dinner. In recent years, however, there has been less involvement in cultural activities. I'm optimistic that this is about to change!

I am so happy that **Elaine Edwards** has been elected to be our Cultural Director for the coming year. I am looking forward to seeing what the cultural events and activities will be in the coming year. Please give Elaine your support and assistance.

I am optimistic that with both Cultural and Social Directors our meetings and socials will be of more interest to our members, and will be more fun. Remember, too, that your suggestions for programs are always welcome.

The preparations for this year's Lutefisk Dinner are proceeding rapidly. West Valley Community Services has provided a collection barrel for our food donations at the dinner, and I am optimistic that we will fill it to overflowing both nights. As I write this message, lefse and meatballs have already been prepared, and tomorrow the cookies will be completed. I attended the cookie making today, and brought the Christmas tree to the Lodge and set it on the stage. **Kathy Whitesel** and friends will decorate the tree and the hall for holiday events, starting with the Lutefisk Dinner.

On December 6, our hall is hosting a benefit for the Campbell Community Toy Drive, and the Family Christmas Party will be on December 16 at 1:30 PM. I hope you all can participate.

Meg and I send all of you our warmest wishes for a happy holiday season.

God jul og godt nyttår!

Fraternally yours,
John Stubblebine, President

Membership News

There are no new members to report this month; however, we are very happy to announce that **Jim Marlowe's** membership has been re-instated. He has been very busy working; that is why he has not been able to participate too much. You are missed, Jim, especially at Lutefisk time.

We do have 3 members on the Past Due List, and hopefully you will find your invoice from SoN International in Minneapolis and submit your dues.

Please be prepared for a small International increase in your dues on your next statement. Increases will go into effect January 1, 2013. Primary and Spouse increase will be \$1.00 and a 50 cent increase for Golden members and Unge Venner who pay dues.

Kari Warner, Financial Secretary

Hall Board News

I'd like to welcome **Don Schallock** who has agreed to fill a vacancy on the Hall Board. Don has been active in the Lodge and instrumental in completing several projects. Don is a local architect with his own business (Architecture by Design in Los Gatos) and has both the expertise and practical knowhow that are very much needed. Please make a special effort to welcome Don and thank him for his efforts.

Mark Hunsbedt was responsible for refurbishing the partitions in the men's restroom, which were badly rusted, and he did so at a relatively low cost. He'll get the women's restroom done when we can schedule the work. Unfortunately, that work won't happen before the lutefisk dinner, but it's something that we can look forward to. Thank you Mark!

Don Schallock enlisted the help of two friends who are masonry and paving contractors to replace the transition from the Solveig Room to the outside walkway. The concrete was breaking up which was a trip hazard and could also allow water to get under the door and damage the new carpet. The work was completed cheerfully and at no cost to the lodge! As a "thank you" we invited **Scott Lisenbee** and **Mike Ensley** (Los Gatos Custom Masonry) to join us for lutefisk at 3:30 on Saturday. If you happen to see them, a word of thanks would be appreciated.

Janie Kelly told us about the availability of a grant from Sons of Norway for major improvement projects. Lodges can apply for up to \$1,000 at 25% reimbursement for completed work once every five years. Based on the work the Hall Board has accomplished this year, we submitted an application. Janie represented Nordahl Grieg Lodge as our International Director and returned from the November board meeting with a \$1,000 check which will go to the Lodge. Thank you Janie!

If you have not already done so, please consider a contribution to the **Love Your Lodge** fundraising effort. We're working hard to make much-needed improvements but there's much to be done. We can accomplish so much more with your help! This is your chance to make a difference. Please give this effort additional consideration. Thank you!

Fraternally yours,
Larry Hulberg, Hall Board President

Nyheter Fra Solveig Club

The Solveig Club met on November 14 in a freshly painted and newly carpeted Solveig Room! After exclamations of delight and pleasure, we wrapped articles for our bazaar grab bags. We want to thank everyone who donated the numerous items for our "treasure table" – it always draws a large crowd and the children's "grab box" is very popular. We are always in need of children's books and small toys for this event.

December is a very busy month. In the Norwegian culture, a good hostess will serve seven kinds of pastry or "sju-slag." My mother insisted upon following this tradition, so, as kids on a North Dakota farm, we were busy baking and filling buckets with cookies and storing them in our little outdoor "freezer"... which was really just our outdoor cellar entrance that my father put a floor in for winter... but it worked very well.

The Solveig Club wishes everyone a Happy Holiday! Drive carefully. (Please note: there will be no Solveig Club meeting in December.)

Ha det bra,
Elderid Everly, Solveig Club President

Barneleikarring News

The Barneleikarring met on November 18 and welcomed a new member **Shiloh Curtis** and mom **Shelley Curtis**. We practiced several dances and went over the counting for "valz steps." It's 1-2-3, 1-2-3 all the way. Thanks to all who participated.

Some of the dancers will perform at Nordahl Grieg's Annual Lutefisk and Meatball Dinner and then we will get together next at Nordahl Grieg's Family Christmas Party on Sunday, December 16. SSSSSSHHHHHH... Don't forget that package for your child, already wrapped and tagged for Santa's bag.

In January we will be back to our regular schedule of second Sundays, meeting on January 13, 2013.

Merry Christmas to everyone! Please call me with any questions at (408) 745-1595.

Ginny Hansen, Barneleikarring Director

News from Camp Norge

Remember... there is a limited seasonal schedule at Camp Norge with only the Main House available for members. There are no housekeeping services either, so members are responsible for leaving the facilities as you found them.

The position of General Manager of Camp Norge has been eliminated. The Caretaker position has been retained with **Aren Sutton** filling that role as well as providing security. Contact him at 530-389-2508 to make reservations for the main house.

The waterline replacement project is underway. Work parties are being planned to help with trenching and placement of pipe. If you are interested in or can assist with this project, contact **Penny Joseph Knudsen** at 916-941-6433 for information.

Fraternally,
Shirley Shoup, Camp Norge Ambassador

Nordahl Grieg Lodge to Host Community Toy Drive Benefit

This year Nordahl Hall will be the venue for the Campbell Community Toy Program benefit night. We will be partnering with the Campbell Chamber of Commerce, Campbell Union School District, and the Santa Clara County Fire Department. This drive collects toys, books, games, and sporting goods to provide holiday cheer for about 1,200 under privileged children in our area.

Mark your calendars for Thursday, December 6 and please join us. The time is from 5:00 to 8:00 pm. There will be great food, holiday entertainment, and superb raffle and auction items. Cost of admission is \$10 plus a toy; all proceeds benefit the Campbell Community Toy Program.

Member News

Harold Everly has had his "ups and downs" lately with visits to the hospital and from the home health nurse. He has been in a skilled nursing facility most recently but will be returning to Belmont Village assisted living when they get his infection under control and physical therapy gets him back on his feet. We miss you, Harold, and think of you often. We hope things straighten out for you soon!

Elmer Graslie had emergency surgery for a bowel obstruction in mid-November. After a stay in ICU and a few days at Good Sam, he now is at Plum Tree rehab facility getting his strength back. He reports he is feeling much better and is looking forward to having some lefse soon. That cures all ails!

Meg Laycock has had another corneal debridement but has recovered nicely. She is back at work and her usual activities for which we are happy.

Duane Overby had his PET scan in October and it was clear, so he has a "new lease on life." He'll be doing some traveling again which he missed out on while being diagnosed and treated. We are so happy for you, Duane!

Lian Dallokken, Vidar's wife, had her gallbladder removed in late November and is doing well under Vidar's watchful eye. We are looking forward to seeing you again soon, Lian.

Good News to Share! Congratulations and Best Wishes to three newlywed members of our Lodge: **Jamie Bjerkhoel**, **Diane Sousa**, and **Jonathan Villareal**. May you find happiness and joy in the new lives you have started.

Fraternally,
Shirley Shoup, Sunshine Chair

Cultural Skills Activities...

Karen Aaker received her Level 1 Cultural Skills pin in Norwegian Folk Dance at the Viking Feast in October. She completed the requirements for her pin at the Northern California Kretssteve, where **Meg Laycock** and **John Stubblebine** taught a weekend folk dance workshop. An avid knitter, Karen tells us she plans to earn the Knitting pin, too.

Food Donations...

When you bring your cans or packages of food to the lodge to donate, please make sure they are not past their expiration date. Food banks cannot distribute food with expired "use by" dates.

Lutefisk Dinner Thank You!

By the time you read this, the annual Lutefisk Dinner will be upon us and may even be over. This is a great tradition

that brings many families together. It's also a major fundraiser for the Lodge. The event would not happen without the contributions of so many members and the leadership of the committee chairs. As always, the event would not exist without the special efforts of Kari Warner and JoAnn and Harry Bjerkhoel!

Feasting... and Story Telling... and Crafts...

Some 60 Lodge members and friends gathered in the Nordahl Hall "Long-House" on the evening of October 26 to share Viking food and fun. Our Viking enthusiast and Social Director **Kathy Whitesel** provided a bountiful display of treasure (presumably from raids and trading missions before she settled for the tamer environs of Silicon Valley), as well as a selection of costume pieces that guests could wear for the evening. New member **Dave Melius** was most imposing in an embroidered velvet cloak, and **Elaine Edwards**, our incoming Cultural Director, glittered dressed up as an Icelandic queen. Other members also borrowed items to wear or came in costume.

The menu included shellfish, cheese, roast pork, root vegetables, and cabbage... all foods that were available in the Old World. **Sharon Mellott's** delicious beer bread was an excellent (if anachronistic) accompaniment. As an extra treat, the bar offered mead along with usual libations.

Guests could learn how to do card-weaving or paint "Viking Shields" or color pictures of Viking times... or just hang out around the "fire pit" and share the news of their voyages. **Elaine Edwards** shared with everyone an account of visiting a Viking cemetery, and **Meg Laycock** led a line of dancers through the saga of the "Drunken Viking."

Many thanks to everyone who helped make the evening a success... folks who bought food and supplies; chopped and stuffed and cooked and served; helped set up and decorate the hall; tended bar; dished up desserts; and (especially) cleaned up after the festivities. Helpers before, during, and after the feast included **Kari Warner, John Stubblebine, Julie Stubblebine, Martin Alkire, Joyce Cosce** (and her friend **Fred**), **Vicki Everly, Dave Melius, Claire Smyth, Don Schallock, Andy Hunsbedt, Sharon Mellott, Lavonne Hardy, Rich Kurkowski** (and his guest **Glenda Pettit**), and **Shirley Shoup**. The extra-special, coveted "Golden Scrubber Award" goes to **Bodil Grodum** for her persistence in getting the roasting pans scrubbed and shining.

And of course, thanks to all of YOU who came to share our Viking evening!

Nordahl Hall – Love Your Lodge!

Fund Drive

Besides our members...

The most important asset of Nordahl Grieg Lodge is our wonderful hall building. And the old gal is showing her age! Your Hall Board is working hard to improve the building and grounds for our members' and guests' enjoyment, for today and tomorrow. In fact you may have already noticed some changes.

Why are we doing this?

By improving the facilities, we'll increase our own enjoyment of lodge events, plus we can gradually increase rental income. And with that revenue we can continue to help Nordahl Hall become the beautiful facility in which we can all take pride! But the list of badly needed improvements is long, and we need your support to make the improvements possible. Key projects include Solveig Room renovation, a fresh coat of paint for the whole building, resurfacing the parking lot, upgrading the restrooms, and much more.

This is where you come in...

If you feel strongly about the Lodge, if you appreciate the wonderful building we are so fortunate to own... if you **Love Your Lodge...** this is your opportunity to make a real difference that will be enjoyed for years to come.

Become a supporter of the "Nordahl Hall Capital Fund"!

Your donation* — at the following levels — will be listed in the *Tidende* each month. Your donation may also be made "In Memory of..." or "In Honor of..." and will be listed as such in the *Tidende*.

We have two members who have already pledged their support at the Platinum Level!

But this is only a start...

We need the participation of many others **especially you!**

Donations can be made at any time, but to move ahead with the most urgent projects, we badly need contributions by the end of 2012.
