

2020 Lutefisk & Meatball Dinner Kit Preparations

The Party is Virtual, but the Fish is Real!

We are creating something new this year! You can be involved in a historic event for the lodge – our “reimagined” Lutefisk and Meatball Dinner for the year of the pandemic. To follow current health guidelines, we will assemble and provide “Dinner Kits” with the main ingredients (frozen and fresh). Volunteering and preparation for the event will be different because we are buying some of the ingredients instead of making everything ourselves, but we still need plenty of volunteers for many tasks (just no need this year for tasks like meatball making and lefse rolling).

General Chairpersons:

Meg Laycock (408) 314-8844

meg@jstub.org

Rich Pierson (408) 914-1845

LaVinnia Pierson (408) 914-1844

Possible new tasks for this reimagined event:

- Help assemble a “goodie pack” of recipes and activities that will go with each dinner kit.
- Re-package big sacks of potatoes into smaller bags.
- Help assemble and distribute dinner kits.
- Help direct drivers to the dinner kit pick-up spots.
- And other things we haven't figured out yet because it's a new event.

If you feel comfortable joining a small group of workers at the Hall, or can volunteer as a family unit and work as a team at the Hall while distanced from others, or can help with at-home assembly task for some parts of the dinner kit, please contact the chairperson listed below to volunteer. At the Hall, proper distancing precautions will be ensured, and sanitizing practices followed. Please call or e-mail in advance to sign up as a volunteer and find out available shift times at the Hall.

Tusen takk!!

Mark your Calendar!

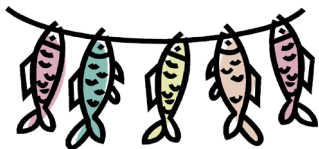

- **October 16 (Fri)** – Last day to order your Dinner Kit
- **November 21 & 22 (Sat/Sun)** – Cookie Making at the Hall
- **November 30 to December 3 (Monday to Thursday)** – Dinner Kit Preparation
- **December 3 (Thurs)** – Hall Setup for Dinner Kit Pick-up

Do you have experience designing workflows for assembly lines? Please give us a call. We are new to this, and welcome creative ideas for incorporating physical distancing into our process.

Due to the health requirement for physical distancing, we MUST require that ALL volunteers notify us in advance so we can ensure group sizes are limited.

Student Volunteers! We can provide community service hours – just bring your paperwork when you help at the Hall or when you return a home project and the committee chair will verify your hours and sign your paperwork.
