District Six President's Message

It is 2020! Greetings, District Six Leaders.

This directory compiled by our hard working District Six Secretary, Nancy Madson, has a wealth of information regarding District Six, Sons of Norway. You may ask questions such as: Which lodge is the oldest in District Six? Who do I contact if I have a recommendation for a board member? How do I apply for a campership for my grandchild? I am traveling to Salt Lake City to do genealogy research—is there a lodge nearby? You will find all of this information, or at least the contact person, in this district directory. The directory is your desk top guide to the District Six Lodges, leaders, committees, resources and more.

The District Board has made communication a priority. Communication is more than forms, an email, or a newsletter. It is all the resources, methods, and people who reach out to our members to provide resources and support to make our lodges successful. In addition, more information can be found on our District Website www.sofn6.org.

This year is a big year with our convention, “Celebrating Our Roots,” being held at the Sheraton Hotel, Mesa, Arizona, June 18-21. This convention and District Lodge meeting includes a number of special events which programs. There will be a you with your genealogy complete your level 1 pin in there will be leadership includes two specialized cultural skills speaker from ‘Family Search’ to help research and an opportunity for you to the Music Cultural Skills unit. Friday learning opportunities on using volunteers; utilizing resources from Sons of Norway; and how to improve the communication in your lodge. Following that is the opening ceremony, the memorial service, and the President’s reception/cultural night. Saturday and Sunday are the working days as the District Lodge meets to review the activities of the District Lodge, discuss and decide on resolutions, elect our new district officers, and elect delegates to the international convention in Norway.

In 2020, the District is again offering camp for both the youth and adults. There is Camp Trollfjell Folkenhøgskule, June 28-July 11 for 14-17 year olds and Camp Trollfjell, July 12-July 25 for 8-13 year olds. And for adults, who still want to camp, there is Camp Oldefjell, September 19-22. All of these camps are held at Camp Norge, your District Six Recreation Center in Alta, California. The Recreation Center Board has done some updates to the camp to assure a wonderful visit for both young and old.

I hope you find this directory and resource useful.

I look forward to seeing you at the District Convention as a delegate or guest, at camp, or at your lodge.

Fraternally,
Luella Grangaard
President, District Six
