

# **NORDAHL HALL IS IN TROUBLE AND WE NEED YOUR HELP!**

The Hall relies exclusively on rental income and donations for its upkeep. Since we have not been able to rent the Hall for most of the year due to Covid-19 shelter-in-place protocols, we have now run out of money. We've cut expenses everywhere we can and borrowed \$5,000 from the Lodge to get us through the remainder of this year, but by January we will be completely broke.

**OUR EXPENSES FOR INSURANCE, PROPERTY TAX, UTILITIES AND MAINTENANCE ARE ONGOING, BUT IF THEY DON'T GET PAID THEN WE CAN'T USE THE HALL, FOR OUR OWN ACTIVITIES OR TO RENT IT.**

We don't know when we'll be able open the Hall again for rental income, and we're also looking at another major plumbing leak that has been temporarily patched, but will soon require thousands of dollars to repair.

**For these reasons, the Lodge has launched a campaign to raise \$25,000 to get us through this difficult situation. This amount will allow us to repay our debt to the Lodge, repair the plumbing, and cover other projected expenses through June.** A flyer on the next page gives all the details. Please try to give generously so we can continue to enjoy Nordahl Hall.

Thank you.
