## President's Message

Happy 2024, District Six Leaders!

I would like to extend my sincere thanks for your willingness to step up and take a leadership position in your lodge or even in the district.

The District Six Directory contains valuable information on our district lodges and resources. This includes Kretsstevne dates, Colorado Barneløpet information, camps for all ages, district committees, email distribution lists, website links and information on our recreation center, Camp Norge. I hope you take advantage of this wonderful resource.

We are a fraternal family, and each of us has a story or skill to share. Reach out to other lodges and invite members to present a cultural skill or information for a meeting, which furthers our connections. Please utilize the Social Media Support Committee if you need assistance in setting up a lodge website or setting up a Zoom meeting to encourage attendance for those who are unable to travel or attend in person.

Plans are underway for our 2024 District Six Lodge Meeting and Convention in Las Vegas, NV June 20-24, 2024. This year's theme of 'Viking Vision' presents some fun opportunities which include photos in a Viking ship, Folk Art Exhibition, and a Viking dinner. You are welcome to attend the cultural and leadership presentations whether you are a delegate or not.

I hope to meet you at the district meeting in Las Vegas, online, or at an event.

Fraternally,  
Lis Barca,  
District Six President

### **Founders’ Day – January 16th**

On this date back in 1895, 18 Norwegian immigrants in Minneapolis, MN came together and formed a new group whose goals were to protect its members and their families from the financial hardships experienced during times of sickness or death. A noble purpose, to be sure, but over time the mission grew to also include the Preservation of Norwegian heritage and culture. It was clear that our founders and earliest members were great leaders and, I believe, also men of great vision.

From a 2012 Sons of Norway blog

Sons of Norway is now celebrating 129 years of sharing the Norwegian culture and heritage; helping families with insurance products; and assisting communities with scholarships, grants, financial donations, and volunteerism.

The purposes and goals of the Founders were to protect members of Sons of Norway and their families from the financial hardships experienced during times of sickness or death in the family. Over time, the mission of Sons of Norway has expanded to include the preservation of Norwegian heritage and culture in our Society. We have grown since our beginning and are now the largest Norwegian organization outside Norway. <https://sofn.com>
