Volume 58, No. 11 | November 2012 | Meetings on 2nd Friday

En hilsen fra Presidenten

Kjære Venner (Dear Friends),

Before we know it the Lutefisk and Meatball dinner will be here. This is our most important event of the year – a social event, a cultural event for us and the larger Norwegian community, a fellowship event for all of us who work on it, and our major fund raiser for the Lodge. During November we have the fun and satisfaction of preparing good food to serve. We decorate our hall, invite crowds of members and friends, and at the dinner we share fellowship and a delicious traditional meal. Involvement with this event is definitely the best way I know to get to know the largest number of other members while you're doing something great for our lodge.

All are welcome at the preparation days in the weeks before the dinner. You'll have fun while you learn how to make meatballs, lefse, and traditional cookies. All are welcome (and many hands are needed) to help with set-up, cooking and serving at the dinner, and cleaning up afterward. For dates and specific activities, see the schedule elsewhere in this issue. *(con't page 9)*

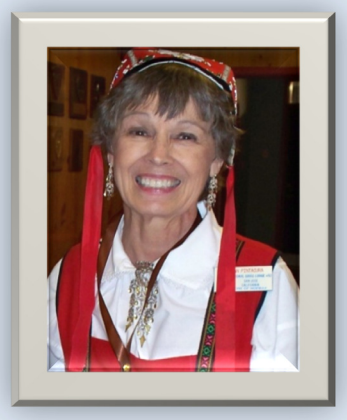
IN MEMORIAM

Our beloved **CLARIAN PINTACURA** lost her battle with a prolonged and devastating illness on Sunday, October 21. She was at home under hospice care and the loving attention of her husband, Alan.

Clarian had been a member of our Lodge for over 20 years and was currently serving as Assistant Musician, adding much to our proceedings with her bassoon. She was much admired for her upbeat attitude, her welcoming smile, her musical talent, and her love for all things Norwegian. She was one of our best supporters and recruiters for our annual Lutefisk Dinner.

Words cannot begin to describe how much we will miss her in our midst. Fraternal love and sympathy are extended to Alan, family, and friends in their loss of wonderful Clarian.

Clarian Pintacura
1946 – 2012



The following poem was shared at Clarian's memorial service and was personally selected by her as a last greeting.

I'd like the memory of me
To be a happy one.
I'd like to leave an afterglow
Of smiles when life is done
I'd like the tears
Of those who grieve,
To dry before the sun
Of happy memories that I leave
When life is done

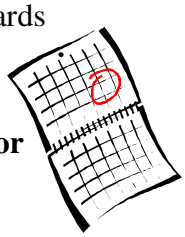
Community Outreach!

Nordahl Grieg's efforts to make a difference in our community continue by collecting the following:

- Non-perishable foods for local food banks. Items most in need are baby foods and meals-in-a-can such as chili, stew, and soup.
- "Freebie" calendars and greeting cards for patients at the VA Hospital.



Please bring any of the above items to a business meeting, social event, or to the Lutefisk Dinner.
Thank you for your contributions and your community spirit!

Nyheter Fra Solveig Club

The Solveig Club was extremely saddened by the passing of **Clarian Pintacura**. For many years she was such a cheerful helper at our Lutefisk Bazaar. We will miss her and give our heartfelt condolences to her husband, **Alan**.

At our October meeting we celebrated Halloween early. **Sharon Bratton** was hostess and she made sure we each left with a container of treats. The table was decorated with the usual Halloween spooks. Our guest for the day, **Anna Likens**, won the door prize. We are always happy to have guests, and maybe you will win a door prize too. We held our meeting in the hall as our Solveig Room was being redecorated with new paint and carpet.

Lutefisk time is just around the corner so we are very busy wrapping items for our "treasure table" at the Bazaar. Thanks to many donations we will have a great variety of items for our ever-popular "grab bags."

November is a busy month. Please remember to come and help at one of the many Lutefisk Dinner preparation days. All help is appreciated!

Solveig Club will next meet on **Wednesday, November 14 at 10:30 AM** in the Solveig Room. Please come and join us for coffee, dessert, and conversation. I will serve as hostess for November.

I hope everyone has a great Thanksgiving Day with family and loved ones. Drive carefully! School is open. Come and join us on the 14th.

Ha det bra,
Elderid Everly, Solveig Club President

Barneleikarring News

The Barneleikarring met at Nordahl Hall on October 14.

Please note that our next get together will be on the **3rd Sunday, November 18** as Nordahl Hall is being used for our annual Lutefisk Dinner preparation. We will **meet as usual at 1:30 PM** and have a snack after dancing. Everyone is welcome to bring a friend.

Please call me with any questions, at (408) 745-1595.

Hall Board News

Thanks to **Janie and Pat Kelly**, the ice maker in the shed is working again! The ice maker hasn't worked for years but, with the help of an appliance repairman, they got it working and flushed it thoroughly to clean out accumulated dirt and scale. This should provide ice for the lutefisk bar without having to purchase and transport bags of ice. It should also be a boon for other lodge activities.

We had an electrician complete several projects including getting power to the Solveig Room and front of the property, adjusting lighting on the "Nordahl Grieg Lodge" sign and installing a solar timer, replacing the switch to the stage lighting and an overheating dimmer switch in the bar, and adjusting exterior lights and motion detectors. He also got power to multiple outlets (circuits) for the stage and main hall. So we should be in much better shape for lutefisk and other activities. This is much needed work that we were fortunate to be able to complete. Thanks to **Janie Kelly** for recommending the electrician.

Based on contributions from two Lodge members and the Solveig Club, we were able to move forward with renovation of the Solveig Room. **John Stubblebine, Earl Rosebraugh** and **Larry Hulberg** did the painting, which took several days including preparation. We installed new carpet and baseboard, painted the doors, cleaned and painted rusty exhaust fan covers, and did a general cleaning with **Shirley Shoup**'s help. The room will look great for lutefisk and we're told the Solveig Club ladies are thrilled!

Fraternally yours,
Larry Hulberg, Hall Board President

Happy News to Share

September 22 was a beautiful day in Aptos where **Jamie Bjerkhoel and Brendan McVey** were married during a late afternoon wedding. The reception that followed was filled with music, including a couple of special dances by our four granddaughters and a tag one with their grandpa, Harry. Congratulations Jamie and Brendan!

Thank You, Vi!

Vi Johnson, who now lives in Alameda, sent us a large envelope with 2013 Calendars and Christmas Cards for the Veterans Hospital. She had collected them from other residents where she lives and included a picture of the very beautiful complex where she lives called Cardinal Point. She is feeling fine, and sends greetings to all. Vi was a very active member of the Solveig Club. Thanks, Vi, for your community spirit!

Member Health News

Our Treasurer, **Mike Block**, has been battling bronchitis for several weeks now. We hope you feel better soon, Mike, because you are invaluable to us.

Bob Goodenough is out of rehab and doing well using his walker after his hip replacement. We look forward to his helpful presence at our Lutefisk Dinner. Keep up the good work, Bob!

Duane Overby looks great and is feeling very well. The PET scan he will have this month will determine further treatment for his lymphoma. We are so happy for you, Duane!

Our President, **John Stubblebine**, banged himself up moving his tandem bicycle. He injured his left lower leg and has been experiencing a good deal of discomfort. We hope your hobbling around days will soon be transformed to normal activity days, John.

Kari Warner is happy that she will not have surgery in the near future and will be able to concentrate on reservations for the Lutefisk Dinner. She reports that her son, **Finn Gjerdrum**, is doing well and feeling great. We are glad for that, too.

Carl Ronning, member of the Chico Lodge, died recently. He was well-known throughout District 6 for his support of Camp Norge, and as a founder of both the Chico Lodge and the Northern California Past President's Club. But his claim to fame was his woodworking skill that he shared with all. Many of our members have pieces that he carved over the years and they can also be found at Camp Norge. Carl always had a welcoming smile for all, was a friendly and affable gentleman who will indeed be missed.

We just recently learned that **Sherrill Swenson**, member of Solbakken Lodge, died this past May. He served as District 6 President from 2002 to 2006 and also served on the International Board. Sherrill attended some our Lodge functions over the years and was supportive of Sons of Norway activities. His nickname, Swede, seemed incongruous for his long-time involvement with the Norwegians!

Shirley Shoup, Sunshine Chair

NEWS ABOUT CAMP NORGE

Activities are winding down at Camp Norge after a busy spring and summer. There were two Rosemaling seminars, a Bunad workshop, Memorial Day and Kretsstevne weekends, and a successful Camp Trollfjell. There is, however, some information about Camp Norge that I want you to know about.

First, Camp Norge will be closed from the end of November to the first of April as a cost-reduction move. The main house will remain open for member's use during this period of time; please make arrangements in advance.

Nordahl Grieg President John Stubblebine and Secretary Meg Laycock enjoy Camp Norge during Kretsstevne Weekend

Next, the Recreation Center (Camp Norge) Board of Directors has learned that their present insurance does not cover the death of a non-member resulting from the use of the swimming pool. Therefore, only Sons of Norway members will be allowed to use the swimming pool until further notice. This is not a great problem at this time of year and the Board is working on solving this problem before the next swimming season arrives.

Also, a new offer of employment is being developed for the Manager, as well as the preparation of a new exclusive use agreement. An online registration/reservation program is being studied as a more efficient method to handle reservations.

A new barbecue was purchased for the Camp by the Sacramento Lodge. It will be located down by the new Heritage Hall, a more convenient location. Also, a new pipe line from the spring to the Camp is being studied; it will be put two to three feet underground.

Camp Norge is our Little Bit of Norway in the Sierra and the "Jewel of District 6." The support of all our members is imperative to preserve Camp Norge for future generations.
I am pleased to be our Lodge's Camp Norge Ambassador. Please let me know of any of your concerns or problems you experience with Camp Norge facilities or service.

Fraternally,
Shirley Shoup, Camp Norge Ambassador

LUTEFISK UPDATE!

TIME CORRECTION: Please note that the correct time for the last seating on Saturday night is 7:30 PM. The tickets are printed correctly… however, recent editions of *Tidende* had incorrectly listed the time as 7:00 PM. We apologize for any confusion or inconvenience.

LUTEFISK TICKET SALES: Sales of Lutefisk tickets are brisk. At press time, there were less than 40 tickets left for the 7:30 PM seating on Saturday.

Nearly 300 pieces of mail were received the first week. Kari's mailman is going on vacation at the end of this month; he told her he probably should have scheduled it for last month!

COOKIE BAKING DAYS:

Hello! Cookie Days will be on Sunday and Monday, November 25 and 26. We make, bake, cool, count and pack the cookies. Many hands make light work and the chores can be done standing or sitting. If you can't spend the whole day then a few hours would help too. Lunch will be served around noon.

We need to make about 4000 cookies so all the Lutefisk Dinner guests have plenty. Bring your Kumkake irons, Rosette irons and electric skillets with you.

This is my first year as chairman of the Cookie Committee so I appreciate (and need) the experience of Leslie and all the cookie regulars! I am looking forward to this new experience and seeing everyone soon!

Sheryl Hawes, Cookie Committee Chair

Introducing the…

Nordahl Hall – Love Your Lodge!

Fund Drive

Besides our members…

The most important asset of Nordahl Grieg Lodge is our wonderful hall building. And the old gal is showing her age! Your Hall Board is working hard to improve the building and grounds for our members' and guests' enjoyment, for today and tomorrow. In fact you may have already noticed some changes.

Why are we doing this?

By improving the facilities, we'll increase our own enjoyment of lodge events, plus we can gradually increase rental income. And with that revenue we can continue to help Nordahl Hall become the beautiful facility in which we can all take pride! But the list of badly needed improvements is long, and we need your support to make the improvements possible. Key projects include Solveig Room renovation (the first stage is currently in progress), a fresh coat of paint for the whole building, resurfacing the parking lot, upgrading the restrooms, and much more.

This is where you come in...

If you feel strongly about the Lodge, if you appreciate the wonderful building we are so fortunate to own... if you ***Love Your Lodge***…
this is your opportunity to make a real difference that will be enjoyed for years to come.

Become a supporter of the "Nordahl Hall Capital Fund"!

Your donation* — at the following levels — will be listed in the *Tidende* each month.
Your donation may also be made "In Memory of…" or "In Honor of…"
and will be listed as such in the *Tidende*.
We have two members who have already pledged their support at the Platinum Level!

But this is only a start…

We need the participation of many others ***especially you***!

Donations can be made at any time, but to move ahead with the most urgent projects, we badly need contributions by the end of 2012.

- **Shirley Shoup** reorganized the Social Director's closet and washed paneling in the Solveig Room.
- **Martin Alkire, Earl Rosebraugh** and **Don Shallock** teamed up to reinforce door hardware, re-carpet the stage stairs, and patch the roof overhang at the back of the building.
- **Ginny Hansen** did general gardening and parking lot sweeping.
- **Fred Hymans** trimmed junipers and all perimeter plants, swept, and cleaned up.
- **Mark Hunsbedt** power washed the dumpster and trash enclosure, blew out the parking lot, and replaced hose bibs around the building.
- **Kristen Hulberg** washed out kitchen and bar refrigerators and provided lunch.
- **Marv Bertelsen** washed and scraped "gunk" off all the dining tables.

September Business Meeting Highlights

(condensed from minutes approved in October

- Secretary **Meg Laycock** read a letter reporting that all campers at Camp Troll Fjell were enrolled as Sons of Norway Heritage Members. Camp staff helped them set up online accounts to access youth resources on the Sons of Norway web site.
- Financial Secretary **Kari Warner** reported on a new member, **Jon Villareal**, a former Mayor of Palo Alto who now lives in San Jose. She also reported receiving a dues check from International for $151.50.
- Treasurer **Mike Block** presented an account summary: current total assets are approximately $22,266 and include $8,300 in the Scholarship Fund, and $2,512 in the Hall Improvement Fund. The lodge bank accounts have not yet been transferred to Heritage Bank.
- Social Director **Kathy Whitesel** reported on the menu for the Viking Feast in October and stated another planning meeting will happen soon.
- Thanks were extended to **Kari Warner** for providing waffles for tonight's refreshments.
- Motion was passed to elect **Mike Block** and **Shirley Shoup** to the Nominating Committee.
- Motion was passed for a community outreach activity to collect calendars and greeting cards for patients at the VA Hospital. A flyer will be included with Lutefisk Dinner ticket mailings requesting unwanted calendars/cards and canned food for collection and distribution.
- A report was given on the Kretsstevne event on Labor Day weekend at Camp Norge. Nordahl Grieg Lodge was well represented and, amazingly, all raffle prizes were won by Nordahl Grieg members. The **Kelly/Hulberg** clan from our lodge cooked Saturday night's dinner. **John Stubblebine** and **Meg Laycock** taught a folk dance class so class members could earn a Cultural Skills pin; class participants then performed for the Sunday cultural program.
- Members were reminded of the Solveig Club Harvest Luncheon to be held on Sunday, and the upcoming folk dance weekend at Camp Norge, sponsored by the Nordahl Grieg Leikarring.

Noticeably absent are volunteers for the offices of President and Secretary. These are crucial positions for a fraternal organization such as ours. Over the past 20 years, the same group of people have filled the various offices; now we find ourselves in need of younger members to step forward to keep Nordahl Grieg Lodge going. The old guard is passing, a new generation needs to step forward if we want to keep events alive such as the Lutefisk Dinner.

Please call me and help keep this fraternal organization going.

President's Message – continued from cover page

At the business meeting on Friday, November 9, we will elect officers for the coming year. Come vote for and welcome our new officers. This is a Very Important meeting!

The next time you're at the hall, take a look at the Solveig room. The Hall Board, with matching funds from the Solveig Club, has painted the room and had new carpet installed. It really looks great! You can read more about this project elsewhere in this issue.

When you receive this issue of the *Tidende*, the Viking Dinner will have already happened on October 26. In recent years our socials have had various themes: Western BBQ and Dance, Hawaiian Luau, State Fair, Celtic Pub, Heritage Night, Viking, Storgard (Party and Dance at a large farm in 1900). What sort of fun party or other program would you like to attend? Share your ideas with the Social & Cultural Directors.

We are considering starting a Culture Club during the coming year. Interested members can meet for fellowship and do activities that will earn Sons of Norway Cultural Skills pins. The club members can learn together and, for members who want to earn the pins, complete the administrative parts (aka paperwork). Any member who wants to learn about these activities is welcome, even if you do not want to get the pin. As we complete projects or learn about various aspects of Norwegian-American culture, we can share these with the lodge at a business meeting.

The Cultural Skills units include a variety of handcrafts, as well as activities like reading, cooking, and listening to music. For the complete list, log in to the Members section of the Sons of Norway web site. (You'll need to log in with a member name and password.) Look under Benefits on the Members page, or you can log on directly at: *http://www.sofn.com/members/showPage.jsp?document=CulturalSkillsProgram.html*

Take a look at the Sons of Norway International web site – there is a wealth of information on all of these cultural skills to help as you practice and further develop these skills. Watch for more information about the club.

Fraternally yours,

John Stubblebine, President
