Volume 59, No. 5 | May 2013 | Meetings on 2nd Friday

En hilsen fra Presidenten

Kjære Venner (Dear Friends),

It has been necessary recently to research the acquisition of Nordahl Hall. **Ginny Hansen** reviewed many old records — minutes, correspondence, etc., and located fascinating historical information which I want to share with you… and hope you will find as interesting as I do.

The year was 1967; a young **Don Ansok** was president of Nordahl Grieg Lodge which had been meeting at the VFW Hall on 4th Street in downtown San Jose. The first meeting of our Lodge at the Knights of Columbus Santa Maria Hall at 580 West Parr in Los Gatos was held on March 10, 1967. At this meeting, a Building Committee was appointed to look into the feasibility of purchasing the West Parr property, which was for sale and which the Lodge was interested in buying. It was also noted at this meeting that the second installment of the 1966-67 taxes on a White Oaks Road property (owned by Nordahl Grieg Lodge; exact address unknown) of $171.39 was paid.

In the Building Committee minutes of April 10, 1967, it was noted that the property at 580 West Parr was appraised at $87,300. At the April 14 Lodge meeting that year it was reported that **Henry Gunderson**, then Supreme Secretary, would look into financing the property with the Supreme Lodge. The possibility of the White Oaks property being "good on trade" was raised.

Two weeks later at the April 28 Lodge meeting, after "much discussion for and against this purchase" a vote by secret ballot was held. There were 57 members present that night and a two-thirds approval vote was needed. The vote was 39 "yes", 18 "no", and 1 abstention. ***THE HALL WOULD BE PURCHASED!***

Nordahl Grieg Lodge is hosting a
Norway Day booth along with the *Leikarring*.
Let us know if you can help staff the table –
even if you can volunteer for just an hour!
If you can help, contact Shirley Shoup at (408) 264-0912
Tusen takk!

The members present also pledged, by secret ballot $4,000 toward the purchase of the West Parr property, and the sale of the White Oaks property would be investigated.

The next month, at the May 8 Lodge Board of Directors meeting, the Building Committee reported that the purchase price for the Knights of Columbus hall was $76,000 and a deposit of $3,000 was put into escrow. On May 12, 1967 the Knights of Columbus accepted the offer of $76,000 with financing to be arranged.

The Supreme Lodge informed Nordahl Grieg Lodge of the requirements for acquiring Santa Maria Hall from the Knights of Columbus by letter at the June 20, 1967 meeting. The stipulations were as follows:

l. A separate corporation, a subsidiary of the lodge will hold title to the hall.
2. Supreme Lodge will loan $58,200 to be repaid at $425.44 per month for 20 years.
3. Copy of "use" permit required.
4. Acquire licensed survey, fire insurance policy, title insurance.
5. Send the Supreme Lodge a copy of the Resolution of Authority.
6. Expenses of closing loan to be paid out of proceeds with first monthly payment to be made 30 days after disbursement of proceeds.

Barneleikarring News

The *Barneleikarring* met on the second Sunday, April 14 and went over all the dances to be performed at Norway Day, which will be in San Francisco on May 4 and 5.

We went over the different steps we have been learning, i.e., changing partners and practiced doing this many times, as well as *Klappdans*, a new dance for the group. We also checked on bunads since last year's don't always fit once again. Now we are ready to go!

The *Barneleikarring* will be performing at Norway Day only on Sunday, May 5 at 10:30 AM and all *Barneleikarring* members need to arrive at 9:30 AM at Fort Mason for this event.

We will meet again on June 9 at Nordahl Hall and then have a break over the summer. Any questions, please call me at 408-745-1595.

Ha det bra!
Ginny Hansen, Barneleikarring Director

Nyheter Fra Solveig Club

"May Day! May Day!" The twins, Ruth and Rachel, and I would gleefully shout out as we hung homemade baskets filled with dandelions on our front door knob… then knocked loudly so our mother would hear… then we ran tittering away around the corner to hide. It was May first! Mother came to the door and would always say… *"Oh my, I wonder who left this?"* We were so excited and thought we had really fooled her.

May was also when we were allowed to (finally) shed our long underwear and home-knitted stockings… and hopefully, wear only anklet socks again. Spring had arrived.

May was Mother's Day and we kids wore a handmade Kleenex carnation flower corsage to Sunday School along with the rest of the kids in church.

May meant *Syttende Mai* and we would cut the very best willow branches to bring into the house… as flowers hadn't yet bloomed in North Dakota.

May also meant "Decoration Day" (Memorial Day wasn't yet a holiday) with a parade that included our town's last surviving Civil War Veteran marching proudly in his uniform all the way from town out to the cemetery. He was 92 years old when I was eleven and the Civil War seemed like ancient history to me at the time.

It was great to be a child back then and I still look forward to May!

The Solveig Club last met on April 10; **Mette Hellested Goldeen** was hostess and served wonderful salads.

Our next Solveig Club meeting will be **Wednesday, May 8 at 10:30 AM** in our beautiful Solveig Room; **Vicki Everly** will be hostess. We welcome visitors at all our meetings. The coffee is plentiful and so is the conversation.

Hang your May basket, don your Mother's Day corsage, celebrate *Syttende Mai*, and pay homage on Memorial Day. Enjoy this beautiful month.

Drive carefully!

Ha det bra,
Elderid Everly, Solveig Club President

News about our Members

There is a new Viking in our midst! **Trevor Justin John Siler** was born on April 6 in Grants Pass, weighing in at 7½ pounds and measuring 18 ½ inches long. He is doing well – already growing. Parents **Trever and Jessica Hansen Siler**, grandparents **Elizabeth and Erik Hansen,** and Great Grandma **Ginny Hansen** are ecstatic with his advent into our world. Congratulation and best wishes to all.

Karen Aaker is back driving but continues in rehab for her shoulder replacement. We are pleased you are doing so well, Karen.

Don Ansok is wearing a back brace while awaiting a CT scan and diagnosis for his back/leg pain. Hope you are more comfortable soon, Don.

Joyce Cosce has completed her chemo and radiation therapy. She has been able to go see her family in Colorado and is back doing her aerobics. Except for some fatigue, she reports she is feeling well. Joyce has volunteered to man our booth both days at Norway Day, for which we are grateful. Thanks, Joyce, and keep up the good work!

Grace Larsen is doing well after having a blood clot removed from the top of her head after an accident at home. She has a houseful of family visiting and is looking forward to seeing her friends at Norway Day. Keep up your positive attitude, Grace.

Erline Mello's daughter was in a very serious auto accident recently. She is finally at home under the watchful eye of her family. She needed a hip replacement and treatment for 10 broken ribs. It has been a difficult time for all; we send many get well thoughts.

Barbara Shoup is getting around on crutches/walker while being diagnosed for her leg pain. She is scheduled for a CT scan and bone biopsy within the week. We are thinking about you, Barbara.

We missed **Homer Stennes** at our last meeting, but he is feeling much better now. He will be having some balance training at Good Sam. Take care, Homer, and be safe.

"Hurra for Syttende Mai!"

Norwegian Constitution Day is the National Day of Norway and is an official national holiday observed on May 17 each year. Among Norwegians, the day is referred to simply as ***syttende mai*** (meaning May 17th), *Nasjonaldagen* (The National Day) or, less frequently, *Grunnlovsdagen* (The Constitution Day).

Hall Board Update

With **Don Schallock**'s help and direction, we completed replacement of the drop ceiling light panels in the kitchen. These are much heavier than the old ones, which were often blown out by wind and damaged when they fell. **Dave Melius** also replaced several fluorescent light ballasts that had burned out. The kitchen is now much brighter and far better looking than it was. Thanks to you both!

Mark Hunsbedt repaired the kitchen door which was blown open by a gust of wind pulling the hinges out of the door frame. Thanks so very much Mark! This buys us some time. But, to all our members, please be careful not to let doors slam due to wind. They're generally weak and can't take the abuse.

We're still working on getting WiFi service to the building. **John Stubblebine** has spent many hours on this and we're close to completion. *Tusen takk* John!

And, special thanks to the many who turned out for the April 28 Lodge Work Day. The Hall is much cleaner and brighter than it was! Everyone appreciates your efforts.

Fraternally yours,
Larry Hulberg, Hall Board President

MEMBER PROFILE

Sorry – there is no Member Profile this month – I worked on taxes – *with problems* – until it was too late to send out the questions.

I definitely have two more member profiles I would like to appear in the *Tidende*, but I also feel that more of you should participate. Let me know if you have names to nominate, and I will contact your choices.

Thank you!

Norway Neighborhood Ties – A New Way to Connect!

I'm now in contact with a group in Norway where we all share the neighborhood where we grew up. Most in the group are younger than me; I guess my generation is not as active on the net. This group has shared pictures with me… pictures from before I was born… pictures of the building where I used to live. I can even see the windows and a lot of pictures from how the whole neighborhood looks today. It is an awesome group, and so interesting to see the growth and changes. Most of us went to the same grade school. We also share history and I've been able to share many of the incidents that I experienced. Now anytime I get really homesick, I can go on the net, and watch the places I used to walk and play… and "talk" to some new friends. Other areas in Norway may have these type of groups… so start searching. *Submitted by* ***Kari Warner***

Create Traditional Norwegian Folk Art

Now is the time to start a project for entry into the 2014 Convention Folk Art Exhibition and Competition. June of 2014 may seem like a long ways away, but your great works of art and handicrafts take time to create, so start stitching, knitting, carving, and painting.

Make a belated New Year's resolution to enter an item into the Folk Art Exhibition and Competition held at the 2014 Convention in Palm Springs. Don't be intimidated thinking that your work will not win a ribbon. Not everyone who enters a marathon will win, or even finish – but people enter marathons none-the-less, many times just for the experience. You have to give it a try. So it is, too, with the Norwegian Folk Arts – give it a try. You probably won't become a *Vesterheim Rosemaling* Gold Medalist, but just enjoy the art form and share your experiences, talent… and most of all, your heritage with others.

You may enter your art/craft for Exhibition or for Competition. We want to showcase to others what we are learning in the Norwegian Folk Arts and Handicrafts. The following are the Traditional Folk Art Categories for the convention:

- *Rosemaling*
- Weaving with Norwegian design
- *Hardanger* embroidery
- *Klostersøm, diamantsøm*, and other traditional needlework with Norwegian theme
- Hand knitting with Norwegian design
- Crocheting and tatting
- Figure carving with Norwegian motif
- Relief carving with Norwegian motif
- Chip carving
- Bentwood/*tine* box or other woodworking with Norwegian motif
- Other media with Norwegian theme including photography, painting, felting, *kolrosing*, etc.

The Traditional Norwegian Folk Art is a very important part of our Conventions. We celebrate the award winners, applaud all entrants, and encourage and appreciate all beginners.

President's Message – continued from page 1

7. Mortgage to have prepayment permission without penalty with permission needed from Supreme Lodge to transfer mortgage.

The corporation membership was drawn up with nine members, including two from the Solveig Club, and the President and Vice-President of the Lodge. The sale of the White Oaks property was pending; there was a potential buyer.

In July of 1967, Nordahl Hall, Inc. was formed with the proposed Articles of Incorporation and Bylaws approved and the first Board of Directors elected. **E.O Wilson** was elected as the first Hall Board President and the first rental to a church for $50 per use was being negotiated.

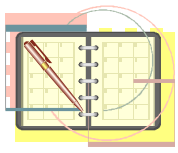
In September, the White Oaks property was sold. The money from the Supreme Lodge-($58,200) and $11,000 from the sale of the White Oaks property were deposited with the title company

In October, a Bar License and Catering License was secured in the name of Lodge for $500 and volunteers were requested for the maintenance of the Hall. The then existing Building Fund of $5,764.98 was transferred to the Hall Board from the Lodge

In November, a square dance group was now renting the Hall on Thursday evenings. A dedication of "The Hall" was set for February 17, 1968 and the Hall Board requested that the Lodge lease the Hall for its activities for $75 per month effective January 1, l968. This last request was passed at the December 8, 1967 Lodge meeting.

1967 was truly a momentous year in the history of Nordahl Grieg Lodge! As Paul Harvey would say — "Now for the rest of the Story." The mortgage was paid off in 1987… there was a big party to burn the mortgage… and Nordahl Hall remains our Lodge Home. We owe a debt to those who came before us for their foresight, diligence, commitment, hard work, and financial contributions. We are forever indebted to them!

Fraternally yours,
Shirley Shoup, President



AGENDA ALERT

Our sincere condolences to her family in their loss.

Fraternally,
Shirley Shoup, Sunshine Chair

We are still looking for a new Sunshine Chair!

The **coat of arms of Norway** is a crowned, golden lion rampant holding an axe with an argent blade, on a crowned, triangular and red escutcheon. Its elements originate from personal insignias for the royal house in the High Middle Ages, thus being among the oldest in Europe. This charge is traditionally referred to as ***den norske løve***; Norwegian for "the Norwegian lion."
