## *En hilsen fra Presidenten*

*Kjære Venner* (Dear Friends),

It is the day after Christmas; 2013 is winding down. 2014 is looming rapidly. It is the time of year that I, as many of you, look back but also look forward. What did we accomplish this past year? Did we do the things we planned to do? Were we kinder, gentler, more caring toward our family and others? What resolutions for the New Year will we make? What will we do differently than we have done in the past? How can we demonstrate our concern for others in 2014?

Not only are these issues for us as individuals, but they are issues for Nordahl Grieg Lodge. I want to address some of them as we soon embark on the 69th year of our existence. Where have we been in 2013? Well, we are still alive and pretty well. There are few cracks in our armor, but, in comparison to some other Lodges, we are fortunate. We are financially stable, have a cadre of dedicated member volunteers, enjoy a beautiful Lodge home, and appreciate the fraternalism of our shared heritage.

We are coming off of another successful Lutefisk and Meatball Dinner, which could not be accomplished without all the help of those listed in this *Tidende*. I want to add my word of thanks and appreciation to all who helped with this undertaking, plus pay special tribute to **Larry Hulberg** and **Harry and JoAnne Bjerkhoel** for their capable and inspiring leadership.

One of the chinks in our armor during 2013 is the reduced participation in our business and social functions and is of concern to the Lodge's future viability. But, I am not sure how to remedy this problem; maybe you have some ideas.

A bright spot for us is Nordahl Hall, which has received a lot of loving attention this past year. It is an important gathering place for us, as well as others, and we should never lose sight of its importance to the cultural environment it creates for our Lodge and to each of us as members. It almost feels like a second

home for some of us where we share good times with our Norwegian friends. The Hall Board deserves a lot of credit for all their hard work and diligence in maintaining this "special place." Lodges who no longer have a place to call "home" have suffered from that loss; we need to learn from them and keep Nordahl Hall as our home.

I am proud of the Lodge's accomplishments in the area of Community Service this past year. Again, members have donated food, books, calendars, and greeting cards to those less fortunate than we. Individual members have volunteered time, talent and money to many community organizations. We need to continue and expand these community service activities and make ourselves more visible in the larger community as a caring fraternal organization.

## News about Members

### HEALTH NEWS

**Don Ansok** missed another Lutefisk Dinner because of the problems he is having with his back. They now tell him he has a "pinched nerve," so he is taking it easy.

**Ginny Hansen** is getting ready to have cataract surgery early in February. She is also having some PT for what is ailing her back. Hope things get better soon, Ginny!

**Susan Levitz**, one of our newer members, was hospitalized at Stanford over Thanksgiving for pulmonary edema and atrial fibrillation. Cardioversion was attempted but not successful. Last week, she had another cardioversion, which was successful, and her heart is now back in sinus rhythm. Take care of yourself, SuZ!

**Sharon Mellott** is recovering from a bout with pneumonia. Get better soon, Sharon.

**Don Slama** was to have another steroid shot to his back the Monday after Lutefisk. He did not feel that the first one helped him very much. He relies on his walker to get around most of the time. Don helped with seating at the Lutefisk dinner, and we appreciate his service while experiencing so much discomfort.

### SAD NEWS

**Harold Everly** died about 7 pm on Saturday, December 21st. It was quiet and peaceful, with Vicki at his side. Harold had struggled for almost five years with his health issues and it was difficult for both him and his family. Harold was a quiet, kind man who dearly loved Elderid and was so proud of his large and extended family. As a member of Nordahl Grieg for over 40 years, he was always supportive of the involvement of family members. He leaves a strong legacy. All of us express our condolences to Elderid and his "bunch of girls." We, too, will miss him in our midst.

Fraternally,

*Shirley Shoup, Sunshine Chair*

You may have seen articles about **Skogfjorden Norwegian Language Camp**, the language immersion program operated by Concordia College in Bemidji, Minnesota. Life at Skogfjorden is infused with Norwegian language and culture from the moment you wake up – participating in small language learning groups, cultural and camp activities, sports, dance, and song – until the close of the day. District Six offers a single full-tuition scholarship to Skogfjorden. The eligibility requirements and application are available on the District Six web site at <http://www.sofn6.com/sofn6-scholarship-application.pdf>.

The application **deadline** for this scholarship is **March 1, 2014**.

District Six also offers three scholarships of \$1,000 each, to students entering their Sophomore, Junior or Senior year in an **accredited college or university** in the USA. Scholarships awarded will be payable jointly to the student and the institution of learning and mailed to the student before August 1 of the application year. Students may apply each year of their undergraduate study. Eligibility requirements and an application are available on District 6 website at <http://www.sofn6.com/sofn6-scholarship-application.pdf>.

# Nyheter Fra Solveig Club

*Godt Nytt Är!*

December was a busy month with our "Lutefisk Bazaar" activities.

We missed our long-time treasure table coordinator, **Mette Hellestad**, who recently moved to Carson City, Nevada ... but **Anna Likens**, with help from **Gracie Larsen**, jumped right in and took over the task of organizing and managing our treasure table and was kept very busy. The "grab box" this year was especially popular. Thanks to all who donated their gently used items for our sale.

Solveig Club is thankful to the many volunteers who helped at the bazaar. **Apryl Bratton, Jessyca Bratton, Kalia Iglesia, Sharon Bratton, Vicki Everly, Sharee Frost, Julie Lang, Marcia Hulberg, Meg Laycock, and Harriett Candeleria** were our able helpers at the Nordic, home-baked goods, and Christmas tables. And, **Erlene Mello** is a pro managing the bread sales. Of course, our Treasurer **Shirley Shoup** was available both nights to lend a hand wherever it was needed. Thanks are also extended to the Solveig Club members who donated homemade goodies for the baked goods sale... always a desired purchase.

Our table of raffle prizes was also a very busy place! Thank you to everyone who purchased tickets... and congratulations to the winners. Special thanks to the following for donating prizes:

**Meg Laycock** – silver tea pot

**Claire Smyth** – clock

**Sharee Sullivan** – doll with hand-crafted wardrobe, including a Norwegian bunad

**Solveig Club** – D’Aulaires book of Norse Myths and book of Norse Trolls

Thanks also to **Harry Bjerkhoel** who donated hand-crafted "lefse turners" for our bazaar sales. I want to especially thank my daughter, **Vicki Everly**, who coordinates and manages it all with the expert assistance from my other daughter, **Sharon Bratton**. *Tusen Takk* to both my girls!

And *Mange Tusen Takk* to our many, many shoppers! The success of our bazaar is because of you! Please know the scholarships funded by the proceeds make a lot of campers and college students very happy.

May you all have health and happiness in 2014. Stay warm, everyone, and drive carefully!

*Ha det bra,  
Elderid Everly,  
Solveig Club President*

## News from Camp Norge

Time to bring you up to date with happenings at Camp Norge. First, a lot of renovations have been going on at Camp. The roof on Dorm 1 has been replaced, but the roofs on Dorm 2 and the Social Hall have leaks. It has also been discovered that the roof on the Main House needs to be replaced. The windows on the north side of the Social Hall were replaced, and the heaters between the Social Hall and the Upper Bathhouse were exchanged.

The Board is still looking for a caretaker. The apartment is now ready to be occupied after the restoration of the living quarters, including putting in new flooring. A handyman is working one day a week to meet some of the maintenance needs, and the housekeeper also works a day a week doing some office work, as well as maintaining the rooms being used in the Main House.

There have been significant water system problems this fall and efforts to ameliorate the problems have required much time and effort. At the moment, there is no water available in the Main House. These water issues have certainly caused revenue loss for the Camp.

The Board is returning to the policy that Camp Norge will be available for member use only. They also report and appreciate the receipt of \$14, 226 in donations to Camp Norge from individuals, groups, and lodges.

Camp Norge is a special place. It requires a lot of TLC to maintain "our little bit of Norway."

Fraternally yours,

*Shirley Shoup, Ambassador*

The intrepid bar crew from the Lutefisk Dinner.

## A Lodge Member Says "Thanks"

My large and growing family celebrated their annual Christmas Party at the Hall on Saturday the 21st of December with 60 family members and friends attending. It has been our family tradition for more than a decade. Two grandchildren and ten great-grandchildren have joined the family since the first NGL Overby Christmas Party.

Our family wishes to express their heartfelt gratitude to the Nordahl Grieg Lodge members whose labor and love have maintained this beautiful place for myriad groups to gather on many healthy and happy occasions.

Merry Christmas and Happy New Year!  
Duane Overby

## Kransekake in England

When an English friend of Meg Laycock saw *kransekake* baking rings in the kitchenware department of her local Sainsbury's supermarket, she remembered seeing photos of the kransekake Meg baked for her son's wedding. Since the baking rings were a good price, she decided to buy a set and try making this interesting-looking confection.

Meg's friend has since made several kransekaker, the most recent one being this one she made for their family Christmas dinner. Meg plans to invite her friend to join the Lodge and explore other Norwegian traditions!

# Lutefisk Thank-You's

Thanks to everyone who made this year's event another great

success! It takes a team effort, and everything ran smoothly, thanks to the planning, hard work, and dedication of so many. We have a loyal following that returns year after year for fellowship, good food, and fun. Special thanks go to the committee chairs without whose planning and organization none of this would have been possible. But thank you also to the many members who volunteered their time and talent to do the production. Special mention goes to **Dave Melius**, who hosted an outstanding bar, and to **Fred Hymans**, who contributed the cook tent.

*(President's message, continued)*

The Solveig Club should receive special recognition also. Through their money-making efforts and your support, they were able to provide \$3000 in camperships and scholarships to eight deserving recipients. Four young girls were able to attend Camp Trollfjell at Camp Norge in July, had a wonderful time, learned about their heritage, and made new friends. Four young women were helped to continue their college education through scholarship help from the Solveig Club.

We have endeavored to increase our cultural programming during 2013 and plan to continue these efforts in 2014. We will focus on increasing the involvement of members in the Cultural Skills program of International as well as emphasize some of the skills needed to trace our genealogy. Please consider participating!

We are looking forward to our 68th Anniversary party on February 22, 2014, when we will enjoy a traditional Torsk Dinner and honor our members with membership pins and special awards and recognition. Two hundred years of the Norwegian constitution will be celebrated on Syttende Mai with a gala evening commemorating this significant event in Norwegian history. There will be other more casual and fun social activities during the year when we will get together to enjoy each other's company.

Accomplishments? Yes, but we have more to make in 2014--recruiting, retaining, and sustaining membership, involving members in the life of the Lodge, committing ourselves to continuing and further involvement in the community.

Resolutions? Yes—To be a **caring, committed, connected**, and **compassionate** Nordahl Grieg Lodge.

Fraternally,  
*Shirley Shoup, President*  
*Godt Nyttår!*
