Volume 60, No. 12 | December 2014 | Meetings on 2nd Friday

En hilsen fra Presidenten

Kjære Venner (Dear Friends),

I had this fantasy that this would be the last message I would write for the *Tidende*, but it is not to be. You will be hearing more from me for another year.

But, before this year ends, I want to thank the officers and members of Nordahl Grieg for all their help and support during 2014. Without you, I wouldn't have been able to serve the Lodge in the ways that I wanted to. Many of the 2014 officers will continue to hold office in 2015, but there are a few whom we will miss.

Vidar Dalløkken has been a supportive Vice-President for the past two years. He was always there when I needed him, followed through with his commitments in a most pleasant manner, contacted members and potential members with style, and had good ideas to share. Thank you, Vidar (and Lian... too) for your service.

Homer Stennes has served as Marshall for the past two years. I never had to worry about the Hall being set up for the meetings or that all our furnishings were carefully stored, because Homer, in his inimitable way, saw to those responsibilities. Thank you, Homer, for your constancy and for your helpfulness in so many ways.

Liv Braaten served as a Greeter this year. Her friendly nature and her Norwegian sociability was a real asset to all who entered our doors. She is always willing to help and has provided assistance throughout the year. Thank you, Liv, for your graciousness and support.

Kathy Whitesel took on many jobs this past year and is to be commended for her willingness to serve the Lodge. She wasn't able to accomplish as much as she planned or wanted to, but there is no doubt about her devotion and commitment to our Lodge. Thank you, Kathy, for being your enthusiastic self.

Ginny Hansen is completing a three-year term as Trustee. She has served as a valued mentor to me, as well as other officers, since she has probably served in almost every office of the Lodge during her over 40 years of membership. Thank you, Ginny, for always "being there" and for being so willing to provide advice and guidance.

Several of the officers will continue in 2015. Their service in 2014 is acknowledged with appreciation. I could write a paragraph about each one of them extolling their virtues and contributions to the Lodge not only this past year, but over many years.

Where would we be without the ongoing contributions of **Kari**, **Mike**, **Claire**, **Elaine**, **John**, **Marv**, **Lois**, **Andy**, **Elderid**, and **Bruce**? I am grateful for their continued service into 2015. *Continued on page 3*

Membership Update

There are no new members to report this month; however, we do expect at least one new member next month.

We have five members on the Past Due List. Some of last month's past due members have made the Suspended List. One member has paid, but unfortunately not all pending dues were paid.

The following members have been suspended by Sons of Norway International for non-payment of dues:

- **Jim and Marlys Annis**
- **Violet Johnson**
- **Karen Vogelhuber**

We are sorry to lose all of you; you were all members of the Nordahl Grieg family. If you change your mind, just pay your dues, and you will be welcomed back with open arms.

Having problems coming up with ideas for Christmas presents? How about giving your friends and family members a membership in Nordahl Grieg?

Presently we have 278 members including Juvenile members with active insurance.

Merry Christmas and Happy New Year! *God Jul og God Nyttår!*

Kari Warner, Financial Secretary

Nyheter Fra Solveig Club

Our November meeting was busy with final preparations for our Lutefisk Dinner bazaar. **Liv Braaten** was hostess and served *krumkake* and a scrumptious lemon cake with fresh berries and cream.

This will be a hectic month for everyone as we prepare for the Christmas Holidays. In a Norwegian household… a good hostess is always prepared for holiday guests with *sju-slag*… or seven kinds of pastry. I will manage only a few this year… but, thankfully, my family is happy with my *lefse*, homemade donuts, and a few other goodies.

The next Solveig Club meeting will be a holiday potluck on Wednesday, December 17 at 11:30 AM in the Solveig Room.

Merry Christmas and Happy New Year to all! And, remember to always drive carefully!

Ha det bra,
Elderid Everly, Solveig Club President

FUN STUFF

Did you see **Kristen Hulberg**'s letter to the Editor published in the December *Viking*? Check it out.

HEALTH NEWS

Don Ansok is using a cane and going to physical therapy for stretching for his spinal stenosis. He experiences quite a bit of discomfort and hopes that the stretching will help. Hang in there, Don!

Harriet Candelaria cancelled her foot surgery and will reschedule after she returns from her trip to Tahiti. Have fun!

Joyce Cosce completed her hyperbaric treatments and is feeling well. She helped make both meatballs and lefse before she headed to Colorado by train to spend Thanksgiving with her daughter and grandsons. Way to go, Joyce!

Meg Laycock and **John Stubblebine** have been in a car accident. It was a four-car rear-ender which probably totaled Meg's car. But the important news is that Meg and John did not suffer any serious injuries, for which we are all grateful. Thinking of you both!

Duane Overby is scheduled for a knee replacement the third week of December so will be curtailing his activities for a few weeks. We wish you good results, Duane!

Hope everyone stays healthy over the holidays!

Special Announcement—

Several months ago, I volunteered to teach Norwegian and prepare members to earn Norwegian Language pins in the Cultural Skills Program. This was before I had two surprise, and unscheduled meetings with the floor… where I was injured both times.

Just two days after my wonderful birthday party I fell and my left ankle received a serious sprain. I walked with one crutch for many weeks, and I still have to occasionally wear a compression stocking. Then I fell in the elevator. I was still using a crutch and went down… right arm and shoulder hitting first, and hitting hard. If you have fallen, you'll know, the fraction of a second before you hit the ground is nightmarish. I am much better, but I am paranoid about another fall as I still feel the after-effects from both falls.

I'm usually not one to break promises; I may be able to help with pronouncing words, but can no longer commit myself on a permanent basis to teach Norwegian. I will still perform my role for Nordahl Grieg as Financial Secretary and a few other duties. And I will continue to make waffles and things for Solveig Club.

I know that many of our members older than me still do more than I do, but my 80-year-old body is telling me to slow down. I have had trouble sleeping lately, and if I don't get enough sleep, I get sick… which has been going on since I was a child. I'm living by myself and I have to be able to continue doing so.

Letting go of teaching Norwegian is very hard for me, and I hope you will all understand.

Fraternally,
Kari Warner, a Sons of Norway member for 49 years

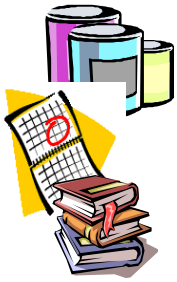
Help us help the community!



Nordahl Grieg Lodge continues its community outreach by collecting the following items at our business meetings and events… please consider donating!

Cans and boxes of non-perishable food. Hunger is a critical concern in our community year round. **Items most in need are baby foods and meals-in-a-can such as chili, stew, and soup**. All collected items will be promptly delivered to a local food bank.

Contributions are also being gathered for patients at the Palo Alto VA Hospital. We collect **used paperback books** and **2015 calendars** (think about the extra, unsolicited calendars you receive in the mail). All collected items will be delivered before the end of the calendar year to the VA Hospital.

Once again, we say *Tusen Takk* for your community spirit!

Good News Update… The Solveig Club received a special commencement announcement and thank you from **Jessica Siler** who received her Bachelor of Science degree in Education this past summer from Southern Oregon University. Jessica is now working as a kindergarten teacher and extended a special thank you to the Solveig Club members for their scholarships and support of her university education. Congratulations Jessica!

Lutefisk Notes

Lutefisk preparations are in full swing and, by the time you read this, it will almost be time to sit down for dinner. Special thanks go to all those involved in planning and managing what is a truly great effort, particularly the committee chairs. It wouldn't happen without you and the lodge owes each of you a great debt of gratitude. Then there are the many hard workers who get it all done. Thanks to each and every one of you too! Here are a few highlights of this year's activities. Further details and a listing of all volunteers will be provided in the January issue of *Tidende*.

Reservations

As always, **Kari Warner** has handled reservations with the kind of dispatch and personal attention that makes our guests feel welcome. This year **Bruce Fihe** is assisting Kari to learn the ropes and help lighten the load. The response has been good so far with more reservations coming in all the time.

Lutefisk Tent

Looking for creative ways to help the lodge, **Fred Hymans** obtained the loan of another 12 x 20-foot tent from a non-profit organization to which he belongs. This is similar to the tent that Fred personally donated to the lodge last year, which worked out well. A second tent will make it easier for us to shelter our dedicated crew from the elements. **Mark Hunsbedt** made concrete anchors to provide hold-downs in the event of severe weather like we had two years ago.

Meatballs

Janie Kelly and her incredible crew churned out 10,380 meatballs in the face of adversity as the upper oven was not functioning. This really slowed things down since only half the usual quantity of meatballs could be baked at any one time. **Rena Slama** even took several trays home to bake. It was a long day, but we got it all done. Our appliance technicians, including **Mike Katz** and **Patrick Slama** *(Cool Kat Appliance)* and **Dave Melius** made various repairs but determined that we had to order a new regulator and the oven was repaired the following week. The ovens are old and limping along but should be functional for cookies and lutefisk.

Lefse

As usual, Team Everly made it all happen. **Vicki** and **Elderid Everly** purchased supplies and managed the crew. Elderid provided her expertise and, at 93 years, continues to be an inspiration to us all. We had a good turnout both days, and it was especially gratifying to be joined by five youngsters, all of whom turned out to be great rollers! We were also joined by four members from **Snorre Lodge** in Hayward who were enthusiastic about learning and provided a lot of help. The crew made 1,157 lefse rounds (4,629 servings). Way to go!

Cookies

Cookies are next up, November 30 and December 1, thanks to **Sheryl Hawes**.

Bar Operations

Special recognition also goes to **Dave Melius** for managing the bar and making many repairs around the hall. Among other things, the compressor on the old refrigerator failed, and we purchased a refurbished unit with a new compressor in its place.

Larry Hulberg, Lutefisk Dinner General Chair

More Lutefisk Notes and Thanks…

Meatball day had a less than stellar turnout, but it was not to matter, anyway. We lost the use of our top oven, despite the best efforts of **Dave Melius** and **Patrick Slama**. We ordinarily would have been done and out the door by around 1:30 or 2 PM, but with only one oven, we finally finished up at 5:30 PM. Many thanks to our fabulous crew for "hanging in there"! Not to worry… the oven has been repaired and will be up and running for Lutefisk Dinner.

Best, *Janie Kelly, Meatball Chair*

Lefse making was smooth sailing again this year. We had 24 volunteers each day and were especially thrilled to have five young rollers age 12 and under. These young ladies are our future and will help ensure that the tradition of lefse making lives on! *Tusen Takk* to all our dedicated volunteers of all ages!

Vicki and Elderid Everly, Lefse Chairs

Lodge Workday

A small but mighty crew showed up for our lodge workday on October 26. The lodge owes debt of gratitude to these hardworking individuals who made necessary repairs and helped get the hall ready for our annual lutefisk and meatball dinner. It's not possible to list each and every task that was accomplished, but here are a few key items. **Janie Kelly** coordinated the effort, providing morning refreshments and lunch as well.

Janie, **Vicki Everly** and **Claire Smyth** worked on cleaning the kitchen, including long neglected areas like under the sink. Vicki also worked on organizing and cleaning out freezers. Janie got the ice maker going and Claire scrubbed graffiti on the back fence. **Shirley Shoup** cleaned bar drawers and dining tables. **Dave Melius** got the bar cleaned and organized and made many repairs, including the storage room door lock and ceiling panels in the Solveig Room. **Vidar Dalløkken** cleaned cobwebs and washed all the windows inside and out.

Mark Hunsbedt and **Larry Hulberg** blew out the parking lot, raked leaves, and made plans to replace the high flood light at the back of the building and to pour concrete for lutefisk tent tie-downs. Mark single-handedly tackled these items the following weekend, replacing the flood light and motion detector and pouring 960 pounds of concrete into buckets with eye bolts for tie-downs. **Earl Rosebraugh** and Dave checked the remaining motion detectors, scuppers, and downspouts, making necessary repairs. Earl and Larry trimmed shrubbery around the building and entire property. In the end, the dumpster was completely full.

Lessons learned that will make life easier for all of us in the future:

- ✓ Be sure to check supplies before purchasing common items like dishwasher detergent. We found 13 boxes of partially used Cascade under the sink and in the pantry!
- ✓ Label items before putting them in the freezer and indicate whether they're available for general use or reserved for a specific event like the anniversary dinner.
- ✓ Be sure the dishwasher filter is cleaned every workday, so it's ready to go.

Mange tusen takk til alle!

Larry Hulberg, Hall Board President
