En hilsen fra Presidenten

Kjære Venner (Dear Friends),

This is the time of year that American-Norwegians, Norwegian-Americans, and wanna-be Norwegians pay some attention to the values and traditions of our shared HERITAGE. In the past, we attended NORWAY DAY at Fort Mason to begin our celebration, but, in the last couple years, there has not been a Norway Day.

Our cultural celebration this year began with SYTTENDE MAI commemorating the signing of the Norwegian Constitution at Eidsvoll in 1814. Nordahl Grieg's *Syttende Mai* party was well attended and traditional with a parade led by the *Spelemannslag*, tasty *pølse* and *lompe*, *is krem*, and *Solo*. There was music by the *Spelemannslag* and dancing by the *Leikarring*. Many attending enjoyed the opportunity to join the dancers at the end of their performance for the *Klappdans*. There were visitors from other Lodges and we all enjoyed the fellowship that comes with sharing our Norwegian heritage.

Our American heritage was honored on MEMORIAL DAY when we remembered those who have protected our shores from many enemies throughout our history and continue to do so. We are indebted to those who have demonstrated their patriotism and sacrifice to preserve American values and traditions.

On June 26, our Lodge will again pay tribute to our Norwegian values and traditions with HERITAGE NIGHT. There will be good food and a program that supports those values and traditions… so make plans to join in on the fun. You can check out the details in this *Tidende*.

Then, comes the FOURTH OF JULY, the great American holiday honoring 239 years of American Independence this year. It is always a fun, joyful, noisy, and cheerful time and I wish you an especially happy one!

All of these happenings commemorate the heritage we share with each other. Let us celebrate the values and traditions that bind us together rather than those that separate us.

Hurra for Norge! Hurrah for America!

Fraternally,
Shirley Shoup, President

American Cancer Society Relay for Life… It's Almost Here!

Saturday ▪ June 6, 2015
Oak Meadow Park in Los Gatos
Event runs from 2:00 to 10:00 PM

- ***1:00 PM Registration***
- ***2:00 PM Opening Ceremony***
- ***The Survivors' Lap***
- ***Luminaria Lighting at Dusk***

Come out and support our team… the ***Uff Da! Gang***. Come for the whole day or just for an hour. Take your picture with our own resident Vikings. Walk a lap or two with the team members. Dedicate a luminaria in honor of someone you know who has had cancer – or in honor of yourself! All donations will help in the fight to combat this devastating disease.

Cancer survivors, in addition to receiving a free purple t-shirt, you will also get a wristband that entitles you to a free lunch at the Survivors' Tent. There will also be some other mementos for survivors, so stop by even if you don't want lunch!

As the *Tidende* goes to press, the ***Uff Da! Gang*** is in hot pursuit for second place in overall event fund raising, and our own **Duane Adams** is in third place in total fund raising… way to go!

To join our team, to make a donation to our team, or to just find more information about the relay, Google ***"Relay for Life Los Gatos"*** to reach the main web page… then click on ***"Teams"*** to see links to all the participating teams. There are also links to more information about the American Cancer Society and Relay for Life events nation-wide. Please contact Judy or Meg if you would like to donate but don't have access to the internet.

Help us in this, the world's largest movement to end cancer. Saving lives from cancer starts with one team, one participant, and one dollar at a time.

Celebrate. Remember. Fight Back.

See you at the Relay!

8:00 PM Special Viewing of "Twin Sisters" – *Tvillingsøstrene*

- ***From Norway to California, filmmaker captures sibling bond***

This is the true story of two babies who, in 2003, were found abandoned in a cardboard box in a Chinese village and adopted to two different corners of the world. One of them went to the tiny village of Fresvik, Norway, surrounded by high mountains and deep forests. The other found her way to a suburb of Sacramento, California. The adoptive parents had no idea that there was a twin sister. Their sisterhood was meant to be kept a secret. However, destiny had other plans....

The film tells the remarkable story of the twins through a parallel journey until they meet again in Norway when they are eight years old. It's a powerful story about sibling love, human dilemma, and the game of fate. Made by award-winning Norwegian director and producer **Mona Friis Bertheussen**, the film has won several highly acclaimed international documentary film awards and a Norwegian Emmy.

58 minutes. In English and Norwegian, with English subtitles.

Nyheter Fra Solveig Club

Solveig Club met on May 20 with **Shirley Shoup** as hostess. We continued our celebration of *Syttende Mai* and Shirley served a wonderful red, white, and blue dessert.

We received campership applications from three young ladies and awarded a half-scholarship to each. Congratulations to **Lotte Del Barga**, **Nora Frost**, and **Gloria Panttaja**. I'm certain they will have a wonderful time at camp!

Congratulations to all who are graduating this year, and much success in your next endeavors.

June 14 is Flag Day. Remember to fly your Norwegian flag beside our beautiful stars and stripes, and salute with pride.

June 21 is the one day a year we honor our father. Father's Day began in 1910, but it was 1936 before it was declared a national holiday. Be sure to give your father a big hug.

Each year, Solveig Club honors the many volunteers who worked at and contributed to our lutefisk dinner bazaar. Club members and invited guests will meet at 11:30 AM on Wednesday, June 17 for our annual thank you luncheon at the Blue Pheasant Restaurant in Cupertino.

Have a good month and drive carefully!

Ha det bra,
Elderid Everly, Solveig Club President

HAPPY NEWS!

Heritage member **Shiloh Curtis** is a national winner in the "Make the Future" contest. This earned her the right to present her navigational aid for the blind invention on the Today Show on April 10. A video is available at *www.today-introduces-young-inventors-driving-the-future-426090051682*. Shiloh is the daughter of **Shelley Curtis** and will be heading to the Massachusetts Institute of Technology in the fall to major in Computer Science. Our congratulations to you, Shiloh! We are very proud of your accomplishments and wish you the best for the future.

Ruth Likens has traveled across the country to Richmond, Virginia, to attend Virginia Commonwealth University. She started the accelerated nursing program on May 18 and will be finishing in 18 months with her second baccalaureate degree. We wish her good luck in her studies.

HEALTH NEWS

Ginny Hansen is back home again in Sunnyvale. Her sister, Pat, is now in a skilled nursing facility in San Jose, so it is easier for Ginny to visit with her. But, Ginny is busy with emptying out Pat's apartment in Brentwood with the help of her daughter-in-law **Elizebeth** and granddaughter **Alissa**. We are glad you are home again, Ginny!

CONDOLENCES

To **Homer and June Stennes** at the loss of June's sister in Illinois. Homer and June were able to be with her sister during her surgery and while in Hospice Care. We missed them and are happy they are back among us.

IN MEMORIAM

Our charter will be draped at our next business meeting in memory of **Greg Ansok**, who died unexpectedly on April 26 in Medford, Oregon. A Celebration of Life gathering was held at Nordahl Hall on May 9. Greg was 52 years old and had been a member of our Lodge since he was 16 years old. Before moving to Medford, Greg contributed to our Lodge in many ways. He served as Janitor for Nordahl Hall for a period of time and was always a helpful bartender at our Lutefisk dinners. Greg was a friendly fellow who always had a warm greeting for everyone. We will miss him. We extend our condolences to his father, **Don**, and his brothers, **Gary**, **Scott**, and **Jon** at the loss of their family member.

Aquavit… Skål!

Our make-your-own aquavit events were a big success. At our March Infusion Party, 31 different concoctions were crafted by participants who had a wide selection of herbs, spices, dried fruits, and other flavorings to choose from… along with authentic Norwegian potato vodka… to create their own unique libations. After steeping our creations for a month, we enjoyed tasting and evaluating our creations at the April Tasting Party.

Ellen Moilanen exhibited extreme dedication by methodically tasting and grading all 31 concoctions! The general consensus was that **Meg Laycock**'s potion was the winner.

We'll be featuring all 31 creations throughout the year, so stop by the bar and ask Dave for a taste.

We even inspired **Snorre Lodge** in Hayward to host an aquavit-tasting competition. Our own **Bruce Fihe** entered his special brew and won their grand prize! Congratulations Meg and Bruce – Aquavit Champions!

A Little More Ole and Lena…

❖ Ole and Lena got married. On their honeymoon trip they were nearing Minneapolis when Ole put his hand on Lena's knee. Giggling, Lena said, "Ole, you can go a little farther now if ya vant to"... so Ole drove to Duluth.

❖ Lena was being interviewed for a job as maid for the very wealthy Mrs. Diamond, who asked her: "Do you have any religious views?" "No," said Lena, "but I've got some nice pictures of Norway."

Lodge Workday

Many thanks to those who showed up for lodge workday on May 3. We appreciate all your hard work.

Dave Melius labeled circuit breakers and chair racks, fixed the PA plug, and installed a TV in the bar (donated by **Janie** and **Pat Kelly**). **Claire Smythe** washed the entryway floors, checked light bulbs, and cleaned the refrigerators with help from **Bob Goodenough**. **Janie Kelly**, **Claire Smythe**, and **Joyce Cosce** cleaned the kitchen, washing and polishing stainless steel, cleaning counters, and scrubbing the stove griddle.

Victoria Slama and **Bob Goodenough** washed windows, cleaned the stove burners, and cleaned spider webs throughout the building. **Fred Hymans** trimmed plants and shrubs around the property. **Larry Hulberg** blew out the parking lot, cleaned up trash, and watered. **Craig Slama** repaired the motion detector lights above the back doors to the hall. **Victoria Slama** and **Bob Goodenough** also donated a set of serving bowls, which are particularly needed for lutefisk. Thanks to everyone for your participation, and the donations! *Tusen takk til alle!!*

Hall Board Update

The Hall Board met during lunch at the lodge workday to discuss plans and priorities. Items needing repair include the refrigerator in the storage room and rear doors to the hall. The upper oven has been an ongoing problem and we've replaced the regulator three times, but our appliance repairman thinks we can keep it running. **Russ Behel** is working on repairing the refrigerator. It's an old unit and parts are hard to come by, particularly the door lining and seal, which may require some creativity. The back doors are a priority and we're working with a locksmith and contractor on needed repairs.

The roof overhang for the back doors has been under consideration for some time, and the decision was finally made to move forward with construction on June 8 and 9. We're looking for additional help. If you're available, please contact **Larry Hulberg**.

On numerous occasions we've discussed how nice it would be to have a projection screen for lodge presentations, and some of our renters have also expressed an interest. **Fred Hymans** located a motorized projection screen that we plan to mount above the stage. **Dave Melius** has also obtained a smaller screen so we'll have a spare. Thanks to you both for your creative efforts in finding a great deal for the Lodge.

Victoria Slama has agreed to fill the vacant position on the Hall Board. The function of the Hall Board is critical to maintaining and improving the facilities for the benefit of the Lodge. Thank you Victoria for stepping up to the job!

Here are the letters from our campers. All were received in a typed format and have been re-typed here exactly as submitted. Enjoy.

Dear Elderid Everly and Solveig Club,

My name is **Gloria Panttaja**. I am 12 years old. My grandmother is **Meg Laycock**. I went to Camp Trollfjell last year and I would like to go again this year.

Camp was lots of fun. Two fun things were rosemaling and learning Norwegian folk dance. I also liked being able to go swimming every day. I liked the evening activities. My favorites were the campfires and the dances. Another fun thing was the viking olympics especially the event were there were pieces of bubble gum on a table and they were covered in whipped cream. Then we had to get the gum with our mouth and blow a bubble.

Please consider me for a scholarship for camp this year.

Sincerely, Gloria Panttaja

Dear Solveig Club,

My name is **Nora Frost**, I am 12 years old, but I will be turning 13 on July 10, so this is my last year at camp. I am writing to you to ask a favor. If you will I would love to go to camp this year and to do so I need a scholarship. I absolutely love Camp Trollfjell. It is where I made so many friends with campers, counselors and teachers. It is where I can explore my viking heritage and have fun while doing so.

Camp Norge is a beautiful spot and I love finding out who my counselor and tent roommates are. I have so many friends that I have lost contact with during school and I would really like to see them again. I enjoy all my classes even though my favorite is between rosemaling and crafts. And I have grown fond of the night activities especially Capture the Flag. The hikes are cool too, but they are also very tiring.

Although I have to sing if I get either a package or 3 or more letters, I take joy in getting and writing letters to my family, whom I miss very much during camp. But sometimes I forget to write home because I get caught up in camp activities. It is something to do in the summer other than staying home and watching T.V. And I couldn't think of a better way to spend my summer. My grandmother and great grandmother, **Sharon Bratton** and **Elderid Everly** are my sponsors and I am very grateful to them.

My point is that I have been going to this camp for 5 years so far and I cherish every minute of it. I would love to go back one last time before it is over for me. It would mean a great deal to me if you would grant me this opportunity.

Sincerely, Nora Frost

Dear Ms. Everly,

My name is **Lotty Del Barga** and I would like to apply for a scholarship to camp Trollfjell Folkehøgskule. I attended camp Trollfjell for four years and created many of my most valued memories there. It really bummed me out that I couldn't attend camp Trollfjell last year because I was too old so, when I found out that a camp was made for teenagers I was extremely excited. There were many things that I found enjoyable at camp Trollfjell that I will be looking forward to again if I attend camp Folkehøgskule this summer.

One of the best things about when I went to camp Trollfjell was the relationships I made. In the four years I attended the camp, I have noticed a recurring theme of supremely welcoming campers and a cordial staff. I imagine that camp Folkehøgskule will draw an equally great crowd of people. This would be fantastic because it would grant me the privilege of meeting who I will continue to be friends with even years after I stop going to camp (I still talk to friends I made at the camp five years ago). An added benefit of going to Folkehøgskule would be the opportunity to form binds with any of the campers that plan to be CITs the two weeks following the camp. By creating a tighter work relationship with some of the other staff I would become more effective at generating the environment that I've always found at camps sponsored by the Sons of Norway.

Another aspect I expect to find at Folkehøgskule is a loving, home-like environment. From my experience at Trollfjell, I have observed that the camp staff is accepting and very skillful at *(continued on next page)*

(Campership letter continued from previous page)

maintaining tolerance of different views among the children. Unfortunately, settings such as the one I just described are very hard for me to come by, so I've been eager to be a part of a program that manages to do this. In the last two years I was at Trollfjell, I was extremely touched by the effort the camp put into accommodating to my vegan lifestyle. I was also very impressed with how little people discriminated against my appearance (I wear a lot of make up and my style is different from most). The community created at the camp has continued to draw me back, this year as a CIT, and I would be grateful if I had a chance to experience this family-like setting again as a camper.

Overall, the best thing about camp Trollfjell was the change to learn about my heritage, which from understanding will be comvered in even more depth at Folkehøgskule. I've always looked forward to my family's annual trip to California because I get to go to my grandma's lodge and in past years, I also got to attend camp. Since I live in New Mexico, experiences where I get to immerse myself in my Norwegian heritage are very limited (especially because my state doesn't have a lodge). Going to camp Trollfjell encouraged me to study my heritage more and because of it I have started taking Italian language classes at my high school (they don't offer Norwegian and I happen to be half Italian). One thing that I find fascinating about Sons of Norway is the fact that they sponsor camps such as this one. I think culture is extremely important and as far as I am aware, this is one of the few camps I know of centered entirely on educating children on their heritage. This is awesome and I can testify that it is very effective at getting children interested in their culture. I still have everything I created at camp, including my rosemaling (displayed proudly on my wall). Through camp Trollfjell and the things it has taught me I have been able to strengthen my relationship with my grandma (**Mette Hellested Goldeen** – Nordahl Grieg member) which is probably one of the most awarding things I have gained through my camp experience. I'd also like to add how advantageous it'd be to me if I refreshed my knowledge before my time as a CIT at camp Trollfjell.

I hope you consider me for your scholarship. It would mean so much if I could attend camp Folkehøgskule and create new valuable memories.

Tusen Takk, Lotty Del Barga
