VOLUME 62, NO. 3 | MARCH 2016 | BUSINESS MEETINGS ON 2ND FRIDAY

En hilsen fra Presidenten

Kjære Venner (Dear Friends),

I truly hope that everyone was able to have as much fun at the 70th Anniversary Dinner for our lodge as I had. It was so wonderful to see so many of our own members and have so many supportive visitors from **Vigeland Lodge**, **Snorre Lodge**, and our "mother lodge" **Bjørnson Lodge**, along with our District 6 President **Mary Beth Ingvoldstad**. With so many special visitors in attendance I was bound to forget at least one. Never in my mind would I guess that our own **Janie Kelly** would be that one. But luckily for me, **Shirley Shoup**, and several others managed to bring my very large omission to my attention. Over all, even with almost 120 people in attendance, it still felt like a small friendly gathering.

It was so special to have **Chef Pelle** prepare such a sumptuous meal for us all and from the comments I heard, it was as good for the first table as it was for the last… which can be difficult when you have to have 12 tables to accommodate all those in attendance. There was even enough food for people to have seconds, which many people took advantage of.

IN MEMORIAM

Long-time member and Past President **SHIRLEY HANSEN** died early in the morning of February 23 in Bakersfield where she had lived for many years since moving from Campbell. She was 92 years old and was a Life Member of our Lodge, having joined in 1966. She would have received her 50-year membership pin and certificate at our next Anniversary Celebration. Shirley had been healthy until very recently. There will be no funeral; burial will be at the San Joaquin National Cemetery next to her beloved husband, Robert.

Shirley was a very active member of our Lodge, serving as President, but probably best remembered as Financial Secretary for many years. She was also a member of the Hall Board for many years, and was a very active member of the Solveig Club.

A scholarship in Shirley's memory will be endowed by the Daughters of Norway. Shirley is remembered by many of us as a dedicated member and a proud Norwegian. Many friends mourn her loss.

Nyheter Fra Solveig Club

We're pleased to announce that the Solveig Club has increased the amount of the college scholarships we're offering to eligible students. We're able to do this in no small part because of the dedication of the Club's past members who recognized the importance of education and worked hard to raise funds over the years to help our youth achieve their educational goals. It remains a source of pride that we will be able to continue this tradition for generations to come.

We're also delighted to offer half-camperships to young people wishing to have unforgettable experiences learning about their Norwegian heritage at *Camp Trollfjell* and *Trollfjell Folkehøgskule*. More information about the application process for camperships and college scholarships is provided elsewhere in this *Tidende*.

Next month's meeting will be on Wednesday, March 16 at 10:30 am, hosted by **Sonja Flanagin**. Please join us.

Beste hilsen,
Duane Adams, Solveig Club President

President's Message – continued from Page 1

As your President, I was given the honor of presenting a few special awards during the evening. The first **Hjertelig Takk Award** was presented to **Shirley Shoup**. Without her exceptional leadership as President for the last three years, Nordahl Grieg Lodge would not be where it is today. As I started to announce the second Hjertelig Takk Award, I had a moment of panic as I watched the recipient walk out of the hall. I had to quickly switch to hand out the **Tusen Takk Award** to a very deserving **John Stubblebine**. Our **King Olav Service Award** winner, **Michael Block**, wasn't able to be in attendance so I will have the joy of presenting him with his award at our next meeting. Luckily for me at that moment, the recipient of the second Hjertelig Takk Award, **Vicki Slama**, came back into the hall and I was able to present her with the award.

One of the special moments of the night was the enjoyable speech that **Kari Warner** gave after receiving her 50-year membership pin. Kari will always have a special place in my heart since she was the first person I spoke to in the lodge before I became a member. Also, I had the pleasure of giving her the King Olav Service Award in 2009. I just hope that I have half of the stories that Kari does about my experiences with Sons of Norway when I reach my 50-year pin presentation.

I will never regret joining Sons of Norway, and the experience that we all got to share at the 70th Anniversary Dinner in just one of the reasons.

Fraternally,
Laura Porter, President

FUN NEWS

The **Bjerkhoels** are back from their Caribbean cruise which they enjoyed, although they didn't get to land in the Bahamas.

Sharon Bratton is going to be a great-grandma again this summer, which also makes **Elderid Everly** a great-great-grandmother once again.

Lars Erik Haug is pleased that his son will be spending the summer in Norway at a camp, as well as visiting relatives. Have a wonderful time, **Johan**!

The **Hulbergs'** trip to Aspen went well, except **Larry** caught a cold and couldn't enjoy the slopes for a couple of days. He's feeling much better now.

Andy Hunsbedt enjoyed his 15-day cruise to Hawaii, especially leaving and returning via the Golden Gate. Glad you had such a nice time, Andy!

HEALTH NEWS

By the time you read this, **Vicki Everly** will have had surgery to remove a tumor in her inner ear. We wish you a quick and uneventful recovery, Vicki.

Don Slama will be having surgery later in March for removal of skin cancers on his nose and ear. He recently had biopsies that revealed the need for additional surgical procedures. We wish you well, Don!

Patrick Slama, son of **Craig and Rena**, and grandson of **Don**, had a serious snowboard accident recently. He suffered a concussion and facial fractures. After a period of hospitalization, he is now home recuperating, but will need further care. We are thinking about all of you!

Kari Warner had a fall at home but, thankfully, did not break any bones. She is feeling battered and bruised and has been experiencing some left groin pain. Since her fall, she has been using a walker for safety and comfort. Take care, Kari!

King Haakon VII (1872-1957)

March Cultural Program

A presentation of the life of **King Haakon VII** of Norway will be given at the March business meeting to learn more about this exceptional leader.

He is regarded as one the greatest Norwegians of the twentieth century, especially for his courage during the German invasion and for his help in resisting the Nazi occupation. There will be a quiz at the beginning of the presentation to see what you already know about this revered monarch.

Cultural Skills One-Room School House

Friday, March 11 ▪ 6:00 to 7:00 PM ▪ Nordahl Hall

Your Cultural Directors will be facilitating a One-Room (OK, maybe two rooms) Cultural Skills School House at Nordahl Hall just before the next business meeting on March 11. Join us from 6:00 to 7:00 PM, with a half-hour break before the meeting starts.

What's a "Cultural Skills One-Room School House"? It is an opportunity for you to learn, or improve on any of the 14 Cultural Skills promoted by Sons of Norway. There will not be any formal presentation; rather we will have mentors who can help with a variety of skills: Music, Knitting, Hardanger, Stamp Collecting, and Chip Carving, just to name a few. It is also a chance to share your knowledge, ask questions, or get help with the paperwork to apply for your Cultural Skills pins. All skill levels are welcome. All ages are welcome.

Do you have a project that you are working on? Bring it with you to work on. Having difficulty understanding exactly what you need to do to earn a Cultural Skills pin? We can help with answers to your questions. Would you like to earn some of those shiny Cultural Skills pins you see other Lodge members wearing, but don't know how to get started? We can help you investigate the various programs and help you choose one that fits your interests.

Come join us for an hour of fun and learning at this inaugural gathering of the Cultural Skills One-Room School House.

…Elaine Edwards, Cultural Director
…Bruce Fihe, Assistant Cultural Director

Stein Eriksen: Skiing Icon

Legendary skier **Stein Eriksen** passed away in late December at the age of 88. An internationally known and beloved figure, Eriksen accomplished much during his lifetime, earning not only Olympic and World Championship gold medals but also glowing praise and admiration for his infinite contributions to the sport of skiing.

An athlete from an early age, Eriksen began his competitive skiing career as one of the top slalom racers in Norway. After collecting a bronze medal for slalom in the 1950 World Championships, Eriksen went on to become the first male alpine skiing Olympic champion to hail from a country outside the Alps—earning both a gold medal in giant slalom and a silver in slalom in the 1952 Winter Olympic games in Oslo. Two years later he collected three additional gold medals at the 1954 World Championships in Åre, Sweden.

Beyond his competitive achievements, Eriksen was known for his uncanny ability and grace as a skier. One of the sport's first superstars, he pioneered the reverse-shoulder turning technique, and the daring flips and aerial maneuvers he completed in exhibitions inspired the sport of freestyle skiing. Ski writer and former skier **Nicholas Howe** said of Eriksen, "For most of us, even the great ones, skiing seemed to be a muscular, difficult thing. What Stein did was something else. It was all the curves and delicate balances; it was the floating grace of a ballet dancer. Where gravity was concerned, Stein seemed to have choices not open to the rest of us."

Charismatic and dedicated to advancing the sport, Eriksen was not only influential in Norway, he also used his superstar status to promote and foster the growth of the skiing industry in the United States. Upon moving to the United States in 1950, he bolstered and improved ski programs and courses and developed resorts in California, Colorado, Utah, and Vermont before becoming the director of skiing at Stein Eriksen Lodge at Deer Valley resort.

Fondly remembered by those who knew him personally as well as the many whom he inspired, Eriksen succeeded in leaving a lasting legacy as one of skiing's greatest pioneers. To learn more about Stein Eriksen, check out these great resources:

Celebrating Heritage

Is your family looking for a way to spend quality time together that celebrates your Norwegian heritage? You're in luck: there are several options available from Sons of Norway. Whether you want to get the family dancing or are interested in Sámi culture, there is something for nearly every family get-together.

An excellent place to begin is the "Family Matters" section of *Viking* magazine with suggested activities for kids of all ages. It also provides resources to take learning beyond the pages of the magazine and onto the internet and into books that will add depth to your understanding.

Did you know that Sons of Norway has a cultural skills program specifically designed for children? Through the youth Cultural Skills Program, your kids or grandkids can explore figure carving, knitting, or one of the other Norwegian crafts. Best of all, they'll receive a pin from Sons of Norway Headquarters as a reward for their hard work. The youth cultural skills are also a great opportunity for kids to segue into many of the adult Cultural Skills programs, potentially kicking off a lifelong interest in their Norwegian roots.

Another option for family activities is the Sports Medal Program. We all know that Norwegians are renowned for their love of the outdoors, and springtime provides ample opportunities to explore the outdoors. Whether it's skiing or walking, the Sports Medal Program gives your family the chance to earn medals for getting outside and kick starting a healthy lifestyle.

If you're interested in any of these programs. you can learn more by visiting the Members Section of the Sons of Norway website or by contacting **Joe Eggers**, Membership Coordinator at ***membership@sofn.com***.
