Volume 65, No. 3 | March 2019 | Business Meetings as Announced

En hilsen fra Nordahl Grieg Presidenten

Kjære Venner (Dear Friends),

Our 73rd Anniversary Dinner was a success once again. So much work goes into making this wonderful event possible and I would like to give a big *Tusen Takk* to **Duane Adams** and **Barbara Shoup**, our Co-Social Directors, for organizing and cooking the very yummy food. Dinner was topped off with the very delicious *multekrem* (cloudberry cream) dessert, made by **John Stubblebine**. It was so nice to see so many members, family, and friends in attendance. I always enjoy the fellowship that happens.

As I started handing out the anniversary awards, I realized how amazing our membership is. **William Alkire** was to receive his 10-year anniversary award but was unable to attend. Instead he sent a very nice note along with a $100 donation to the Lodge. I always love giving away the long-time longevity awards the most. This year I presented **Donald Ansok** and **Egil Larsen** with their 70-year awards. Both of these gentlemen have been such active and supportive members of our lodge and I hope that I can do the same if I am lucky enough to reach 70 years as a member. The final anniversary award of the night was given to **Eilif Land** for his 75 Years as a Sons of Norway member. He began his membership at another lodge but transferred to Nordahl Grieg. It was a tremendous honor to be able to present him with his award.

Many Lodge members throughout the year gave me suggestions for this year's President Awards and after much deliberation I chose three very deserving members. The first, the ***Tusen Takk* Award**, was given to **Kathy Whitesel**, a well-deserved award for all that she does for the lodge. The ***Hjertelig Takk* Award** this year went to our long-serving and talented Lodge musician **Marvin Bertelson**, who also received his 55-year membership award. The final award of the night and the highest honor in our Lodge, the **King Olav Service Award**, was awarded to **Fred Hymans**, who not only is a wonderful member of Nordahl Greig Lodge but also a great representative of District Six through his work at Camp Norge and with the Sons of Norway as our Financial Benefits Counselor.

News About Members

SPECIAL NEWS

Two hundred years of membership in Sons of Norway! How special that is and we were privileged to honor **Don Ansok**, **Egil Larsen**, and **Eilif Land** for their many, many years of support at the Anniversary Dinner. Our congratulations to these very special people and for many more years of membership in our Lodge.

We are so happy that **JoAnn Bjerkhoel** will soon be living closer to us and we will get to see her more often. She is moving to Fremont later in March to a mobile home but will be keeping her home at Lake Berryessa for special occasions. Welcome home, JoAnn!

It was great to see **Amanda Sorenson** at the 90th birthday party for her Grandpa **Don Slama**. She flew all the way from Germany to join the celebration. Amanda recently left Boeing in Southern California for employment with a German airline and is enjoying this new experience.

HEALTH NEWS

Karen Aaker is using a three-wheel walker these days to help her with her balance. She has had some falls, one of which required some stitches around her right eye. She feels so much safer now. Take care, Karen – no more falls!

Sonja Flanagin fell, shattered her kneecap, and had surgery. She was in rehab, but is now home using a walker, and seems to be doing nicely. She is still not able to drive but is managing with the help of her family. We are hoping for a quick recovery for you, Sonja!

Judy Purrington was back in the hospital recently with the bone infection in her foot. She has been dealing with this for over a year. Future treatment is not clear at this time, but we are sending Judy our best wishes for an early resolution to this problem.

Steve Hawes had a left knee replacement a few weeks ago and is now working on his therapy. There was a setback, but he is now doing fine. We wish Steve a speedy recovery.

IN MEMORIAM

Again, our Lodge is mourning the loss of another long-time member. **Jim Basso** passed away on February 3 at the age of 90. Jim had a fall before the holidays, had surgery, and spent time in rehab, but succumbed to complications. Jim was a member of our Lodge for over 46 years, having joined in 1972, and was a Golden Member of Sons of Norway. His wife **Lucille** passed away this past July. Jim always greeted you with a smile and enjoyed the good times he had at the Lodge. He was very active in many community groups and was an ardent booster of the San Jose State sports program. We send our condolences to Jim's family in their loss of father, grandfather, and great grandfather.

We just learned of the recent passing of **Richard Bondelie** at the age of 93. He was a fairly new member of our Lodge, having joined in 2013, and would have received his 5-year membership pin at the Anniversary Dinner. During the past year, he had been in Assisted Living at the Terraces of Los Gatos, but he remained very social. We did not get to know him very well, but he did enjoy the Lutefisk Dinner. Our condolences to his wife, **Roberta**, who survives him.

Fraternally, *Shirley Shoup, Sunshine Chair*

Norwegian Cheese Claims Top Prize

The annual World Cheese Awards – known as the largest cheese-only competition on the planet – has been bringing together cheese lovers around the globe for over three decades. The recent 2018 competition was particularly exciting for Norwegians as it not only took place in Norway for the first time ever, but was also a home win for the local Norwegian cheese producer *Ostegården*.

Out of the record breaking 3,472 cheeses from 41 countries that participated in the competition, *Fanaost*, an aged Gouda-style cheese, came out on top. This champion cheese took nearly 12 years to produce and was made on a small Norwegian farm of just 12 cows.

The event took place in Bergen in partnership with Hanen, a local organization promoting the best that the Norwegian countryside has to offer. With the increasing popularity, pride and knowledge in Norwegian food culture and traditions, timing played a wonderful role in this year's win.

Oslo Ranked 2nd Healthiest City in the World

Oslo was recently named the world's second healthiest city. Using key metrics like life expectancy at birth and work-life balance, the online home rental company, Spotahome, created a healthy index to rank 89 global cities. Of the cities analyzed, Oslo and Helsinki were the only two Scandinavian cities to make the top 10.

While it's no secret that Norway continues to top lists for work-life balance and happiness, Oslo also scored particularly high in green space, life expectancy and air/water quality. Since the city has already unveiled plans to go green by 2025, it's easy to see why it ranked so high. The initiative includes making the city center car-free and adding more pedestrian and bike friendly areas.

Additionally, the life expectancy in Norway is 84 years for women and 81 years for men, which is among the highest in the world. Amsterdam took the number one spot on the list. To view the full list, visit ***spotahome.com/healthiest-cities-world***.

Liv Ullmann Celebrated on Her 80th birthday

Actor and director Liv Ullmann is known throughout the world. On the Sunday she turns 80 years old, she'll be given a proper celebration. Prime Minister Erna Solberg is among those who will pay tribute.

Liv Ullmann is one of Norway's international stars. As an actor she has been nominated for an Oscar twice. She has not won the highly regarded statuette, but she has received many other awards, both as an actor and director.

Liv Ullmann has lived abroad for years. But there has never been any doubt about her home turf. The newspaper *Dagbladet* recently visited her in Florida in the U.S. The journalist asked her if she still feels Norwegian.

"Oh, yes! I have traveled a lot, at times. But Norway will always be my home. Always," she said.

Ullmann played her first role in the Rogaland Theater in 1957. Then she played the girl Anne Frank. She became known through the role of Nora in the play "A Doll's House," but then she became a film actor. Ullmann played in 10 films directed by Ingmar Bergman.

Ullmann is also very popular in the United States. She played in several shows on Broadway, the theater street in New York. Later she has played in even more international films. She directed her first film in 1992. It was called "Sofie."

litt på norsk...

Liv Ullmann hylles på 80-årsdagen

Skuespiller og regissør Liv Ullmann er kjent i hele verden. Søndag blir hun 80 år gammel. Det feires skikkelig. Statsminister Erna Solberg er blant dem som skal hylle Ullmann.

Liv Ullmann er en av Norges virkelige verdensstjerner. Som skuespiller har hun vært nominert til filmprisen Oscar to ganger. Hun har ikke vunnet den gjeve statuetten. Men hun har fått mange andre priser, både som skuespiller og regissør.

Liv Ullmann har bodd i utlandet i årevis. Men det har aldri vært noen tvil om hvor hun hører hjemme hen. Nylig besøkte avisa Dagbladet henne i Florida i USA. Journalisten spurte henne om hun fremdeles føler seg norsk.

– Å, ja! Jeg har i perioder reist mye rundt. Men Norge vil alltid være hjemmet mitt. Alltid, sa Liv Ullmann da.

Ullmann spilte sin første rolle på Rogaland Teater i 1957. Da spilte hun jenta Anne Frank. Hun ble kjent gjennom rollen som Nora i stykket «Et dukkehjem» Men så ble hun filmskuespiller. Ullmann spilte i ti filmer som Ingmar Bergman regisserte.

Ullmann er også svært populær i USA. Hun spilte i flere show på teatergaten Broadway i New York. Senere har hun spilt i enda flere internasjonale filmer. Hun regisserte sin første film i 1992. Den het «Sofie» *...from SON Newsletter Service*
