NORDAHL GRIEG LODGE 6-52 • SAN JOSE, CA

VOLUME 70, NO. 11 | NOVEMBER 2024 | BUSINESS MEETINGS AS ANNOUNCED

En hilsen fra Nordahl Grieg Presidenten

My Fellow Members:

I just voted.

Yeah, just now. Filled out the ballot after reading every argument for and against from anyone who cared to submit one, and then applied my stepfather's famous rule: "if it costs money, vote NO!"

No, I'm not going to mention any of my choices by name. Every citizen has the right to keep that private. The important thing is that showing up truly is 88% of Life, and the exercise of our right to vote is how we as citizens Show Up.

It's also how we show up in any organization, especially those where the energy comes from volunteers. Like so many folks over the centuries who've taken the risk to walk up that gangplank and alter the courses of their futures, we are here because we CHOOSE to be. Because we WANT to be.

We are all citizens of one country. We in Nordahl Grieg are likewise members of one fraternity. And without our input, neither organization can hope to live up to the ideals behind its founding. Soon the nominating committee may be contacting you, hoping to harness your unique talents for the benefit of the lodge. I can assure you that you will not have to pledge your life, your fortune, OR your sacred honor, but I do hope that you will find the same spirit that has called so many to serve their communities over the centuries and take on a greater role within Sons of Norway.

Fraternally,

Kathy Whitesel, President

The mission of Sons of Norway is to provide quality insurance and financial products to our members, promote and preserve the heritage and culture of Norway, and to celebrate our relationship with other Scandinavian countries.

Sunshine Report

Sheryl Hawes and three close friends recently returned from a 3-week trip to Croatia and Budapest, Hungary, starting out in Dubrovnik on the Adriatic Sea. Its distinctive Old Town is encircled by a massive stone wall completed in the 16th century. Then they joined a 7-day cruise which stopped at five different islands off the coast of Croatia. Due to Tropical Storm Boris, the ship had to change plans to stop at different islands with more protected ports. Then they spent two days in Zagreb, the capital of Croatia, and ended the trip with four days in Budapest. Budapest has a rich history of sites from the Roman Empire, medieval times, and the Hapsburg dynasty, with excellent restaurants and views of the Danube River. Sounds like you had an exotic trip and much fun!

Vicki Everly traveled to the East Coast to visit family and ended up being stranded at her hotel in Asheville, NC for five extra days following Hurricane Helene. We are glad you made it home safely!

I know some of you are ailing. Please let me know, and we can send a little cheer your way.

Fraternally,

Barbara Shoup, Sunshine Chair

Nyheter fra Solveig Club

The Solveig Club unanimously voted to award a scholarship to **Bella Williams**, who is now in graduate school. Bella is the granddaughter of **Linnea Williams**. We've sent her check, along with our congratulations and personal notes from our members.

As the Lutefisk and Meatball Dinner approaches, we're planning our activities. On the day of our November 20 meeting, we'll also be pricing for the Bazaar, wrapping Grab Bag items, etc. Members should come at 9:30 AM, if possible, and be prepared to stay until 3:00 PM. Don't bring a sandwich for lunch, as we'll be ordering pizza. **Meg Laycock** will be our hostess. On Friday, December 6, we'll be doing the table settings for all three seatings followed by doing set-up for the Bazaar. The Solveig Club will continue to take only checks and cash at the Bazaar. Come early to shop. The Solveig Club Bazaar opens at 2:00 PM on Saturday, December 7.

Lastly, please help us out with our "One Warm Coat" drive that benefits the community by helping get warm coats and jackets to those in need. Additionally, warm clothing such as sweatshirts/pants, mittens, gloves, and scarves are also welcome. Your contributions can be dropped off at any meeting or social at the lodge, on Lutefisk set-up days, or at the Lutefisk and Meatball Dinner. Your generosity is truly needed and appreciated.

The Solveig Club was established on April 28, 1967, with the purpose of raising funds to support the Sons of Norway, providing scholarship opportunities for youth and students, and supporting local charities.

Ha det bra,

Judy Purrington, President

Please note:

The last lodge meeting for the year will take place on **December 19 at 7:00 PM** via Zoom. A link will be emailed one week prior.

2025 Officer Nominations Requested Now

Member voting occurs at the lodge meeting on December 19 at 7:00 PM Zoom call. A meeting notice and Zoom link will be forwarded to all members one week before.

Now is the time for all lodge members to consider contributing their time and talents to help shape and lead Nordahl Grieg Lodge this coming year and towards the future. My observation, after being VP for two years, is that lodge officers help each other to be successful, so it is okay to be a new officer and learn on the job. Many officer positions can be shared by two people working together closely as co-officers. All we ask is that any candidate come with a "willing to help" attitude, willingness to learn, and a desire to make a positive impact on Nordahl Grieg Lodge and its membership. Lodge members can 1) self-nominate for a position, or 2) nominate someone else for a position. Incumbent officers can offer to stay on or self-nominate to a new position.

A Nominating Committee has been formed to identify and connect with potential candidates.

Committee members are: **Scott Ansok** (***scott.ansok@gmail.com***), **JoAnn Bjerkhoel** (***buddyeste@gmail.com***), **Sheryl Hawes** (***sheryl.hawes@att.net***), and **Barbara Shoup** (***barbarashoup410@gmail.com***).

Mark your calendars to attend the **December 19 Lodge Meeting Zoom call at 7:00 PM** in order to vote!

Thank you,

2024 Annual Lutefisk and Meatball Dinner

Nordahl Hall – 580 W. Parr Avenue, Los Gatos, CA

Saturday, December 7 3:30 • 5:30 • 7:30

Ticket sales are closed as of October 31. Here is some additional information about the event.

Help preserve Nordahl Hall – The annual Lutefisk and Meatball Dinner is only possible because Nordahl Grieg Lodge owns the hall where we hold this event. Since Covid, many organizations are not meeting in person as often as they used to. We are doing our best to promote rentals of the hall to bring it back to a self-sustaining business.

At the Lutefisk and Meatball Dinner, there will be a Nordahl Hall donation box. It is your opportunity to help ensure that this hall is available in years to come so we can continue to offer this dinner. If you are able, please make a donation to Nordahl Hall. Any amount is welcome.

Invitation to Dance – Diners from all seatings are invited to participate in the entertainment and dancing beginning at approximately 9:00 PM.

Visit the Solveig Club Bazaar – The Solveig Club will host its bazaar again this year. Stop by and see their unique selection of Scandinavian items and Christmas decorations. Doors open at 2:00 PM and close promptly at 9:00 PM. **Please bring cash or checks for the bazaar...sorry, NO CREDIT CARDS are accepted.**

Participate in Nordahl Grieg Lodge and the Solveig Club's Community Outreach – Please bring non-perishable food donations and gently used coats to benefit local residents in need.

World's Best at Geoguessr

There is an online game that has grown in popularity in recent years. The concept of the game is simple, but the execution is quite difficult for most. The game is called Geoguessr, and the objective is to guess the location from a Google Street View image you are given. Keep in mind that the images can be from all over the world and often times there are very few clues to go by.

A player in Trondheim, Norway, Håvard Vesterheim, has solidified himself as one of the world's best at the game. He has learned an incredible amount about various parts of the globe, as is evident in the 400-page document he created on Nigeria's Google Street Views or his extensive knowledge of a location in Botswana based on where Venus is in the sky.

It's sleuthing skills like this that have made him so successful at such a challenging game. Vesterheim believes the game intrigues many because of its real-world applications. The more you play, the more you learn about the world around us.

Mosaic Festival Silicon Valley

Nordahl Grieg Lodge had an information table at a multicultural festival in San Jose called the Mosaic Festival Silicon Valley, on October 6. This festival is to bring together people and cultures from throughout the very diverse Silicon Valley. This was our lodge's first time participating in this annual event. We had numerous festival attendees come to our table and ask questions about our organization and about Norwegian immigration to the United States. We handed out Sons of Norway and "Rent Nordahl Hall" flyers. Thank you to several of our members who attended and helped out at the information table: **Sheryl Hawes**, **Meg Laycock**, **John Stubblebine**, **LaVinnia & Rich Pierson**, **Barbara Shoup,** and **Kathy Whitesel**.

Mosaic Festival Silicon Valley has been in place for four years. Please check out their website: ***mosaicamerica.org***.

THANK YOU

We raised $350 for the Sons of Norway Foundation!

Tusen takk to all those who attended our **Potluck Dinner and Program on October 12**. Not only did they give generously to our fundraiser that night, they also came together to enjoy a tasty dinner and fellowship, and to view an intriguing presentation about some eccentric, quirky, and shocking exploits by our fellow Norwegian Americans.

The Foundation supports Sons of Norway members through cultural exchange opportunities and scholarships, provides disaster relief to members in need, and funds community programs that celebrate Norwegian heritage and culture. Its *"Together We Are The Future"* fundraising campaign is continuing through January 15. If you would like to donate, please visit the Sons of Norway Foundation website at ***https://www.sofn.com/foundation***.

New and Improved NordahlHall.com Website

EXCITING NEWS -- Our own webmaster for our lodge and for District Six, **Bruce Fihe**, has completed the programming on the NEW & IMPROVED Nordahl Hall website: nordahlhall.com. Please use the QR code included here, or go to your browser and enter the website address to check it out! The homepage is really easy to read to find topics, the navigation is simpler, and you can click on "gallery" to view the beautiful and colorful photos of our hall that show the diverse events our hall has been used for over the years. We are actively promoting Nordahl Hall for the needed rental income, and now we have an attractive modern website for renters to look at.

Do you have any family, friends, or acquaintances who are planning an event, family party, business meeting, or perhaps a wedding? Please encourage them to look at Nordahl Hall!

Thank you! In addition to Bruce Fihe, we want to thank **Laura Hulberg** for developing the website format and much content, **Sheryl Hawes** for spearheading the effort, verifying, and writing new content, **Janie Kelly** and **Dave Melius** for content updates to accurately reflect the hall services, and **Meg Laycock** for editing. Thank you to those who provided photos for the gallery section.

Cranberries vs. Lingonberries

If you were asked to name a tangy red berry that grows in cool climates, what springs to mind? If you are thinking ahead to Thanksgiving, your first choice may be "cranberry." But if you've recently had lunch at IKEA, you might default to answering "lingonberry." Are there differences, and if so, what are they?

Let's start with their similarities. Both berries are tart and have a dark red exterior color. They also both are highly nutritious in vitamins and antioxidants. Cranberries and lingonberries both belong to the same family of berries, which would explain why they overlap in quite a few areas. This makes them versatile in cuisine and you can often substitute one for the other in recipes.

However, they also differ in some ways. In appearance, the lingonberry (also called the cowberry), is smaller in size compared to its close relative. Cranberries are often lighter on the inside, with the flesh being almost white, whereas the lingonberry is more pink or red. Also, while both berries are in high demand, cranberries are more commonly cultivated and farmed, whereas lingonberries are more likely to be harvested from nature. Lastly, lingonberries are just a little bit naturally sweeter than cranberries.

Both berries make an excellent choice in tasty fall dishes, so go ahead and experiment with both this coming season.
