Volume 71, No. 2 | February 2025 | Business Meetings as Announced

En hilsen fra Nordahl Grieg Presidenten

Hello Members!

We had a wonderful turnout on Sunday, January 12 for our Smørrebrød Smorgasbord Potluck and Installation of 2025 Nordahl Grieg Officers! THANK YOU to everyone who came to our celebration; it is very much appreciated. The potluck had a variety of foods and desserts, and we even had gluten free cookies! Thank you to those members that brought these delicious items. We might even try a gluten free cookie to serve at the next Lutefisk and Meatball Dinner in December!

Our next event will be **Saturday, March 1 to celebrate the 79th anniversary of Nordahl Grieg Lodge**. See our flyer on page 4 of this newsletter. Many members will receive their membership longevity pins, and we will present recognition awards, plus AWESOME dinner selections prepared by one of our favorite caterers! Please join us to enjoy the people, food, and our own Nordahl Hall.

Did you know that this Lodge owns Nordahl Hall, and the mortgage is paid off? Prior officers and members of this Lodge accomplished that feat; and it's hats off to them for their foresight. We are one of the only Sons of Norway Lodges in the greater Bay Area that own our building!

Take a look at the flyer on page 6 of this newsletter for **"The Viking World Tour" scheduled on Syttende Mai (Norway's National Constitution Day on 17th of May) at Nordahl Hall**. We are trying something new to celebrate what Vikings accomplished through invading and plundering, superior weaponry and battle techniques, trade skills, and their mythology. Enjoy tasty foods, beverages, coffee, and cookies as well! You can participate by volunteering to host a display about an invaded country, and we would love your attendance as well.

Everyone have a safe and happy February, and hope to see you soon!

To your good health,

Sheryl Hawes, President

Annual Shareholders' Meeting of Nordahl Hall, Inc.

Thursday, March 20 ~ Zoom meeting
7:00 PM

All members of Nordahl Grieg Lodge are shareholders in the corporation that owns Nordahl Hall. Each March, on the evening of the regular Lodge business meeting, the President of the Nordahl Hall Board of Directors presents an annual report, and the Treasurer presents a financial statement.

Shareholders (that's you!) will have the opportunity to inquire about any concerns or make suggestions for improvement. At the meeting, we also elect new Hall Board Directors to fill expired terms or vacant seats on the board. Please plan to attend.

Nyheter fra Solveig Club

The Solveig Club now meets on the second Wednesday of the month at 10:30 AM. After our business meeting, we share lunch. Members bring a sandwich, and our hostess for the meeting provides a salad and dessert. Most months, we finish the day with an hour or so sorting donations and pricing merchandise for upcoming bazaars and boutiques.

If you'd like to visit one of our meetings, please call or text me at 408-799-3262 so we'll expect you.

The next Solveig Club meeting will be Wednesday, February 12. Our hostess will be **Sharon Bratton**. Our activity will be getting ready for our Boutique at the Lodge Anniversary Dinner being held on March 1.

The Solveig Club was established on April 28, 1967, with the purpose of raising funds to support the Sons of Norway, providing scholarship opportunities for youth and students, and supporting local charities.

Ha det bra,

Judy Purrington, President

The Digitization of Norway

Norway has its sights set on becoming the world's most digitized country by 2030. While that date seems far away, the work has already begun. This initiative is part of a new national digitization strategy that was created to set clear goals to achieve the digital Norway of the future. Prime Minister Jonas Gahr Støre points to three main benefits that will result from this strategy: a simpler and safer everyday life, a more competitive business sector, and a more modern public sector.

The digitization initiative is a response in part to other factors, including a growing elderly population with a shrinking work force. Despite this, work tasks will continue to grow and the need to remain competitive in the global market will continue.

The strategy contains five core measures that planners say are vital to its success. Included in these measures are offering high-speed broadband services, education and training, building infrastructure around AI, faster processing, and safeguards in digital marketing and use.

The collaboration of Norwegian government leaders, private sector business, social, and research communities all know that this is an ambitious endeavor but are confident that the foundation that is now laid will result in success.

Viking Swords in Oslo Airport

In early September, a new exhibition was installed at Oslo's Gardermoen Airport. This display consists of seven Viking Age swords that have been unearthed in various places in Norway. The project was a joint effort between the Historical Museum and Gardermoen. Each sword has additional information with it, and there is a QR code that travelers can scan to visit the museum's homepage.

The hope is that the exhibition will promote cultural experiences in Norway since nearly four million people will likely pass by the display within the year. The director of the airport, Stine Ramstad Westby, is very pleased that they now have an Edvard Munch and Viking Age exhibition as those are two things that Norway is well-known for. A couple of the first passengers to see the display were asked their opinion on it, and they shared the same sentiment; they immediately felt the culture of Norway when they saw it.

Coffee Steak Rub

From Viking magazine, March 2020

The smoky aroma of coffee pairs beautifully with spices for this dry rub mix. Use it on beef steaks such as flank, hanger, or ribeye. Let the rub sit on the steak for one hour or overnight before cooking. Makes ½ cup dry rub mix.

2 Tbsp. finely ground coffee
3 Tbsp. brown sugar
1 Tbsp. kosher salt
1 Tbsp. ground coriander
1 ½ tsp. caraway seeds, ground
1 ½ tsp. ground black pepper
1 ½ tsp. ground cinnamon
1 ½ tsp. ground ginger

Mix all ingredients together and store in an air-tight jar. It will last for 6 weeks at room temperature.

Dry rub tips from Just Cook with Sally:
Apply your dry rub liberally and work it into the meat. It is called rub, not a sprinkle, for a reason. Once coated, I place the meat on a nonreactive dish, cover it with paper towels, and stick it in the refrigerator. The time air drying in the refrigerator aids the meat in developing a crispy exterior. Before cooking, use your fingers to wipe off excess dry rub and remember not to add any additional salt, either directly or in salty additions such as soy sauce or canned broth, unless it's labeled low sodium.

After the meat has finished cooking, let it rest. This allows the juices to settle and the muscle to relax.
