VOLUME 81, NO. 10 | October 2026 | BUSINESS MEETINGS AS ANNOUNCED

En hilsen fra Nordahl Grieg Presidenten

Greetings Nordahl Grieg Lodge members, and friends of Nordahl Grieg Lodge:

On Labor Day Weekend I attended Kretsstevne at Camp Norge, which has been a tradition of the Bjerkhoel clan for over 40 years. Kretsstevne loosely means "a gathering of the clans." It was great fun! Camp Norge was nearly full with RVs, tent campers, and full dormitory rooms. The camp looked great! The big meadow was trimmed nicely, the fire pit benches were freshly painted, the children's playground and pool attracted lots of kids, and a new handrail was installed along the stairs from the Main Lodge to the meadow. The Camp Norge board and staff are doing a great job!

Saturday night karaoke is always a great time. From 8pm to past 11pm, **Leland Bjerkhoel**, **Savannah Kramer**, and **Alissa Bjerkhoel Foley** expertly pulled up the lyrics and music for the karaoke singers. There was a contest for best solo and best duet. **Laura Hulberg's** step daughter, **Icela Bernal**, won the karaoke solo, and **Vince Kramer** and **Jamie Horner** won the karaoke duet. Congratulations!

There was fierce competition at the Cornhole Challenge, organized by **Steven Foley**. Nearly 35 competitors went through several elimination rounds. By the end, two young men from the Sacramento area won the Cornhole Challenge. Congratulations! The children's games were very popular as well, great job **Jan Stiggins**!

Lastly, I invite you, your family, and friends to our 77th annual Lutefisk and Meatball Dinner on Saturday, December 5th. We accept reservations from October 1st through October 31st. The reservation form is included in this month's newsletter. Reluctantly we needed to raise the adult dinner prices due to increased food costs; however, the $15 dinner cost for children 6 to 12 remains the same, and children under 6 are free. We purchase high quality cod caught near Alaska; it is fresh frozen on the ship, and is then trucked to us. We purchase our meat and other groceries from local companies right before it is prepared.

We hope to see you on December 5th!

Best wishes for Fall,

Sheryl Hawes, President

This Oslo-based website offers insight into Norwegian politics, economic affairs and culture.Recent articles covered King Harald's funeral, the Oslo marathon, and housing prices in Oslo.

On a lighter note, the comedy duo of Helgi & Erlend have a quirky comedic style that seems essentially Scandinavian. MODERNIZE OUR HALL FLOOR

Help Us Reach Our $35,000 Goal

We've already made great progress! Every contribution helps lift the sail and move Nordahl Hall forward.

Is Our Floor Ready For the Next 30 Years?

Our hall floor dates back to the early 1990s. After decades of dinners, dances and celebrations, it's now worn, dated and holding our hall back.

Replacing the floor will:

- ✓ Instantly modernize the Hall
- ✓ Make our space more appealing to renters
- ✓ Increase the rental income that helps keep the Hall in Lodge hands

Modernizing the floor isn't about changing who we are—its about protecting what we love.

HOW YOU CAN HELP

Please make a special contribution to the Modernize Our Hall Floor Campaign.

- ✓ Donate online by clicking on https://nordahl-grieg.org/site/nordahl-hall-modernization/ or

Nordahl Hall Board Needs a New Treasurer

After years of dedicated service as the Nordahl Hall Treasurer, **Rich Pierson** would like to step down and transfer the reins to a new recruit.

As Treasurer, you will be responsible for managing the flow of money into the Hall (primarily from rentals) and for allocating and recording how that money is spent to run the Hall. All records are kept on an easily managed Excel spreadsheet. Rich is a great teacher and is eager to mentor you through the process of managing the Hall's accounts.

Fellow Board members will also be happy to help. You will join a great group of people who all work together towards maintaining the Hall and planning for its future.

If you're interested, please contact Hall Board president **Duane Adams** at ***duane.adams@use.startmail.com***. Thank you!

Fun Fact!

Salmon sushi is actually a Norwegian invention from the 1980s rather than a traditional Japanese creation. Traditionally, Japanese chefs never used local Pacific salmon for raw sushi because wild varieties carried parasites and were only eaten grilled or cooked. However, Norwegian Atlantic salmon raised on heat-treated pellets were largely parasite-free, making them safe for raw consumption. After a 1992 agreement putting salmon sushi in the Japanese market, salmon eventually became a global sushi staple!

Goodbye September!

September has been a significant month for Norway, marked by major national events and important changes. The country continued to mourn the passing of King Harald V, with his state funeral held in Oslo earlier this month, followed shortly afterward by the death and funeral of his sister, Princess Astrid. Beyond the royal family, Norway established the enormous Andfjorden Marine Protected Area, covering nearly 1,850 square kilometers of waters off the coast of Nordland and Troms. The protected area is home to important habitats for seabirds, fish, whales, and other marine life, including valuable spawning and feeding grounds. The new protections are designed to help preserve these ecosystems while supporting sustainable use of the surrounding waters. September also saw a record-breaking summer of warmth in Svalbard.

September was a nice month for me. I spent a lot of time with family and friends! I saw Spider-man again, spent a couple weekends dog sitting for my cousin Jamie, and we sent Skyla off to Italy! I video called her this morning and she was on her walk home and casually showed me The Vatican. Lovely month, and I am ready for spooky season!
